### Editors' Note

*Korumburra residents have been consulted a few times recently about future directions and improvements to the town. The fruits of this are beginning to become visible. By the time you read this the Council will have considered the Streetscape Master Plan (page 28). Also, the Round Table is looking for your help to produce a community directions statement for the whole town (pages 15 & 23).*

## Korumburra Business Association

The Korumburra Business Association would like to thank everyone who participated in our Golden

Easter Egg Hunt.

With 129 businesses participating there were plenty of Golden Easter Eggs to find. We had 130 entries and as the Korumburra businesses were so generous, we were able to give away 27 prizes of yummy Easter eggs. Congratulations to Haylee Whiteside on being our major prize winner. We had such great feedback that we will be doing it again next year.

Keep an eye on some of the vacant leaseholds in Commercial Street, as the KBA will be

organising rotating displays from our local community groups and students' works from our local schools.

We are also doing our best to share as many community events and the great things businesses are up to on our FaceBook page. If you would like us to share something, please send us a FB message or email our Secretary Shirley at [kbasecretaryconnect@gmail.com](mailto:kbasecretaryconnect@gmail.com) If you are a Korumburra Business and are interested in becoming a member of the Korumburra Business Association please contact Jenny Rowe, at Jenny's Picture this Framed, 5 Commercial Street or email Jenny at [kbamembership@gmail.com](mailto:kbamembership@gmail.com)

## What's in a Name? Commercial Street

This was initially called Station Street and occasionally the Main Street or the Main Commercial shopping street in Korumburra. Commercial Street was known as Upper Commercial Street and Lower Commercial Street.

The first brick shops were built by J Sutcliffe in 1889 and are still there now (can you spot them?). The Commonwealth Bank corner was known in the early times as Stuart's corner. There were many Hay and Grain stores in the Main Street, hence the street was very wide enabling the bullock and horse teams to turn around.

An event thought to be of considerable local importance occurred in December 1890 when the storekeepers R and W Little began to construct lower Commercial Street. Having petitioned for improvements, they successfully tendered for the work at a price of 226 pound 18 shillings and 2 pence (\$453.82). They invited Antonio Radovick to come and turn the first sod, describing him as "the father of the town". Radovick obliged by lifting up a spadeful of earth and throwing it over the assembled multitude. He also made a speech congratulating the Littles on their successful tender and expressed the hope that they would make Station Street (Commercial Street) a thing of beauty and a joy forever. He was looking far into the future. It was many a day before it passed the stage of being a bog.

The worst spot was in front of Robert Scott's buildings (hardly surprising as it was at the foot of the Commercial Street hill), until he filled it up with gravel brought from Foster. Robert Scott was a son of James Scott (Snr) the first selector at Poowong. Robert, David, Richard, Alex, James (Jnr) and John were all brothers.

Antonio Radovick's timber Hotel (the Middle Hotel) was originally built by Osborne and Son around 1890. It was burnt out in 1933 and rebuilt in brick in 1934 by William Fisher. There was a big underground tank in the back yard under the veranda area which was used as their water supply before the town water was connected and is still there.

The Victoria hotel, also known as the Bottom Pub, was built in 1903 by Mr Joseph Gibson. The Hotel was de-licensed in 1984 and the front section was removed long before it was pulled down in 1987 to realign the road. There were a number of railway houses on the opposite side of Commercial Street which were also removed for the road realignment.

The picture theatre was built in 1926 by building contractors Thomas and Chapman. When the company went into receivership, Elijah N Alp, married to Nell (nee Jones), bought the theatre and completed it. He had won a large prize of 10,000 pounds in Tattersalls, known as Tatts, and used the rest of the prize money to build the two brick flats in King Street - probably the first flats ever built in Korumburra. The Holmes family played the background music for the silent movies in the picture theatre. They were paid 10 shillings per head per member for twelve months (1926-1927). The money was donated to the Korumburra Methodist Church and was used to build the brick front porch of the Church. Ullathornes operated the theatre at one time. The picture theatre was burnt down in 1982.

There were also several undertakers in

## Commercial Street *(continued)*

Korumburra and Commercial Street: Grundy and Co in 1894, (Wattie) Mountain, R A Kelly, then B Mathews Pty Ltd. Sedgemans worked for Mathews and then Les Wynne, known as "Boxer". It is now operated by Paul Beck of Handleys Funeral Services in Leongatha.

The brick Shire Hall at the bottom end of Commercial Street was originally a drapers shop built by L Farr in 1905, the architect was Mr Fick. Giles Read Huckle bought 20 acres at Whitelaw from William Blake in 1906 for the brick-works which produced the bricks for the Hall. Mrs Isabel Huckle, wife of Giles, moved from the top of the Street to the bottom closer to the saleyards hoping to improve her sales but was not successful. She offered the building to the Shire for five hundred pounds in 1907 but they declined it, and later paid eight hundred pounds in 1908. The brick chimneys were added for heating the Shire offices in 1908. When it was to be replaced the Shire Hall was advertised for tender by the Shire for removal. The tender was won by the Korumburra Apex Club for the princely sum of zero dollars with the proviso that it was to be removed at no cost to the Shire. The Apex Club decided that the job was too big with its limited resources and consequently sold it to local master builder Ron Black for \$500. There were approximately 50,000 bricks in it so it turned out to be a very profitable purchase.

The first ambulance building in Korumburra was located in the tin shed behind the old Korumburra Shire Hall. It was moved by Wilson's house removers to Albert Arnup's farm at Leongatha Road, Korumburra, adjoining Ritchie Reserve and is still there today.

## K'burra Horticultural Soc.

The Winter garden can show some lovely sights. Around about now the early wattles are starting to flower as well as such gems as Hellebores, Azaleas and Camellias. We have an Abelia that has flowered for ages. Caring for it consists just of cutting it back to about waist height whenever I think it is getting too large. That can apply as a general rule for many shrubs. As home gardeners we mainly want to create the scenery that pleases us, but not necessarily the plants themselves. All the same, most of them will put on nice bushy compact growth after pruning.

Winter can be a busy time for planting. In the vegetable garden there is still time to plant broad beans, garlic, leeks, onions, cabbages and parsnips. Although native trees and shrubs are best planted in Autumn and get established ready to leap ahead in Spring, it's not too late yet.

Winter pruning can bring marvellous benefits. Plants like nemesias, penstemons, hydrangeas, achilleas and dahlias can be cut

almost to ground level to stimulate next season's growth. They can be fed about a month or so after cutting back so they thrive in Spring. I have a tree dahlia that hasn't flowered yet this season so it will have to wait for its annual haircut.

July is the month for pruning your roses. The traditional rules are; remove all dead and weak growth then cut back strong growth by about a half, to an outward facing bud. With bush roses, the other way is to cut them off to about knee height with a chainsaw or pruner. You could really leave them like that without many problems but I prefer to then apply the traditional rules, although the strong growth should already be reduced enough apart from trimming to the outward facing buds.

The Korumburra Horticultural Society meets at 1.30pm on the first Tuesday of each month in the meeting room at Coal Creek. Visitors are welcome. Over winter we plan on having talks by Jack Glasgow on vegetables, Donna Robinson with pruning advice and Jean Belstead on herbs. Please contact Joy Williams on 5655 2531 or Ron & Carole Davis on 5655 2652 for more information.

## Korumburra Golf Club

As well as plenty of golf, there has been much happening at the Korumburra Golf Club in recent times. The pennant matches have just concluded, and, although no flags this year, there were many close and competitive games.

Refurbishments to the interior of the clubhouse, including new carpet, fresh paint, blinds, built in storage corner and a big screen for viewing photos and other images, have made the club house an excellent venue for a range of functions. The large windows provide a fabulous view of the picturesque course and scenic countryside. This year there has been a range of club social events in the rooms, as well as it being used by external groups for weddings, conferences, meetings and funerals.

**Counter teas** are available at very reasonable prices from 6 pm on Friday evenings.

**Bingo** is on each Friday, with 'eyes-down' at 8 pm, as well as 10 am on Tuesdays at the Middle Hotel.

**Green fee players** are most welcome to play golf on a casual basis, for 9 or 18 holes. This is an enjoyable way of catching up with friends or colleagues as well as being beneficial for exercise and fresh air.

The club runs **regular competitions** on Tuesdays, Wednesdays, Thursdays and Saturdays, with visitors from other clubs welcome.

Further details about upcoming events and time sheets can be obtained by phoning 5655 1886.

There is a range of information, including details about hiring the clubhouse on the website [www.korumburragolf.com.au](http://www.korumburragolf.com.au)

Individuals can also network with the club by 'Liking' Korumburra Golf Club on Facebook.

## South Gippsland Concert Band - celebrating 40 years

The band is currently enjoying a big increase in numbers and the count at our last rehearsal was 25. We are very excited to welcome new players who have come out of the woodwork, enabling us to tackle more advanced works and to play with a much fuller sound. With a bigger band and a new routine instilled in us by maestro Syd Jackson we are in good shape to tackle a busy winter season. Rehearsals are a fun event at Coal Creek on Monday nights followed by supper and socialising; all welcome, in fact the more the merrier!

We performed at the Cranbourne Lions Concert Bands Festival at the end of May and you can look forward to hearing us at the Teddy Bears Picnic held at Coal Creek and the Loch Food and Wine Festival, both on 12 June.

## Korumburra Historical Society - in its 50th year

The society's meetings take place on the first Thursday of the month at 8.00 pm in the rooms underneath the Library. A warm welcome is assured for those attending the meetings on Thursday 2nd June, Thursday 7th July, and Thursday 4th August, and new members would find this welcome extended to them also.

This year the society is marking fifty years since its beginning. The first meeting took place on Wednesday 14th September 1966. An afternoon to celebrate the occasion is planned for 11th September, beginning at 1.30 pm, with Lambis Englezos, AO as the speaker.

Lambis visited Fromelles in 2002. There were 5,533 Australian casualties at Fromelles, including 1,335 "missing". On returning to Australia he sought answers to the question of these missing men. Australian and British soldiers killed behind the German lines had been gathered and buried by the Germans. The burials were well recorded with personal items and ID discs sent back to families through the

Red Cross. The number of unaccounted for "missing" soldiers equated almost exactly with the number buried by the Germans. After much searching, a German document dated 21st July 1916, two days after the battle, ordering the preparation of graves for 400 bodies, was discovered. This, for Lambis and the team, was compelling evidence that they had found the proof that they needed of a mass burial. His hope was that those missing men could be identified and reburied at a new cemetery at Pheasant Wood. He had read anguished letters from mothers and fathers seeking information about their sons and came to feel a close association with those men and families involved.

Lambis' story is a compelling one and members of Korumburra Historical Society are looking forward expectantly to hearing him tell it. The afternoon is to be held at the Amenities Complex at the **Korumburra Showground on 11th September at 1.30 pm**. Entry cost is \$10.00.

## Korumburra Croquet Club

The Korumburra Club held its Golf Croquet Tournament in April with many members from Gippsland clubs in attendance. We were very fortunate with the weather over the two day competition. Likewise our members have been busy visiting other clubs to play in their competitions. The Club Championship play was held over April and May, the winner was Colin O'Rafferty. The Croquet Club held its AGM at

the clubhouse in May. Competition slows down over the winter months in order to protect the lawns. The Club will be using June, July and August to hold social days in the clubhouse. The opening of the new season competition will begin in early September.

*We are always looking for new members for our game, so if you would like to come along and try croquet please ring Ruth on 5655 2175 or Joan on 5655 2126.*

Also look for further attractions on the community notice board.

The next major event to be held at the grounds is the Dairy Expo in September.

The amazing sheep dogs will perform in November as well as the Major horse jumping event.

## Korumburra Round Table

Dear Korumburra community,

Korumburra Round Table members are currently doing the rounds of the town's service clubs and community groups, either by visiting meetings or by letter, in order to spread the word about exactly what it is we do, how you can be a part of it and about the new Community Plan we are developing.

Thirteen towns within the Shire of South Gippsland currently have a community plan, which comprises a list of priority projects for their towns. Along with support from the Shire, they gradually work through the items that have a large degree of community support and then

they get things done! Foster and Meenyan, in particular, have virtually completed all of the items on their community plans.

So now it is Korumburra's turn, and we would love you to be a part of all this. The information on page 23 explains the background, and what you have to do to get involved.

Spread the word – it's our town!!

## Burracudas - Korumburra Swimming Squad

Korumburra's Swimming Squad – the Burracudas – finished an outstanding summer season with a presentation night at the end of March. This year the squad had more than 40 active members – aged from seven through to their 40s – competing in summer carnivals against Wonthaggi, Leongatha, Corner Inlet, Phillip Island and Mirboo North. The squad's efforts were rewarded with a well-deserved second place in the overall competition for the 2015/16 season.

Awards given out at the squad's presentation night included recognition of Sophie McKenzie and Lachlan Harms as the 2015/16 Club Champions and presentation of the Rachel Harms Memorial Shield for Most Improved Swimmer to Jess Zubcic. Eight swimmers received a commitment award for swimming in all events at all carnivals for the season.

Winter training for the squad will resume in the Korumburra Indoor Pool in Term 3. For information on swimming squad contact the Squad Manager Lesley Turton on 0418 547 323.

## Carinya Lodge Auxiliary

The Carinya Lodge Auxiliary meets on the third Monday each month at 1.30 pm. After our meeting we join the residents and have a lovely afternoon tea which has been provided by our members. We all enjoy getting together and having a friendly chat with a cuppa.

It may seem early but we would like to remind Carinya Lodge's many supporters that the **annual Soup, Sandwich and Sweets luncheon will be held on Friday, 2nd September**. Please note this date in your calendar.

Our Annual Meeting was held recently with Sandra Hopkins being elected President, taking over from Marion Frank.

We are very pleased to welcome several new members but at our next meeting we will lose a valued member, Beverly Goodridge. She and David are moving back to Melbourne. Beverly has been a Carinya Lodge Volunteer for many years and has assisted the residents in their activities, especially in sewing. We thank you Beverly and wish you all the best.

The Auxiliary will be holding their annual raffle in August, just before the Luncheon and we would welcome your support when you see us in our local IGA supermarket as this is our main fundraiser of the year.

## Koringal Women's Service Club

Koringal Womens Service Club is a group of hard working women who raise funds to give back to the community.

Our members once again competed in the Korumburra Agricultural Show with success in the cooking and craft group sections.

Members helped out at the annual Korumburra Rotary Art Show and recently washed dishes at the Korumburra Bowling Club presentation night.

March saw members enjoy lunch at the Leongatha RSL and then to see the movie *Lady in the Van*. Several members also joined the Leongatha Lions Club for a visit to the Desal plant at Wonthaggi.

We were pleased to donate \$1000 to the

Korumburra Fire Brigade for their team participating in the Relay for Life run at Fish Creek. Their team was named in memory of Maureen Rodda who was a much loved and respected member of Koringal for many years.

We continue to raise money through catering, raffles, washing dishes, waitressing or whatever we are asked if we can and also contribute our time and efforts to community service activities as the year goes by.

If you are interested in joining our friendly group of ladies please do not hesitate to contact us. We meet on the last Tuesday of the month at 7.30 pm.

## Burra Foods - exciting new developments

In early May, Burra Foods announced a change in shareholding in the company as part of its growth plans to improve market access and raise capital to fund the expansion of its dairy processing facility in Korumburra.

This has seen Burra Foods execute an agreement with leading international dairy farming company, Inner Mongolia Fuyuan Farming Co Ltd (Fuyuan), which will see the company take a majority shareholding pending Foreign Investment Review Board (FIRB) approval.

The new shareholder structure will provide Burra Foods with vastly improved access to new high value milk and nutritional powder markets, facilitating low risk growth up the value chain, and access to additional capital.

At a time where market conditions in the dairy industry are challenging, this news provides Burra's loyal supply partners, customers and staff with reassurance that the company is in a strong position and ready for growth.

Existing shareholders, including Burra Foods' founder, Grant Crothers and Japanese dairy distributor, ITOCHU Corporation, have

maintained a combined 21 per cent interest in the company with Mr Crothers continuing in his role as Managing Director/CEO.

“There are only winners in this deal as the new structure enhances the future for our loyal milk supply partners, provides ongoing employment for our dedicated staff, while ensuring increased and stable supply to existing customers whether they are located in Australia, Japan, China or other parts of the world,” said Mr Crothers.

In June we have **Warhammer Introduction, Progy Rug Making, Introduction to Community Services, Responsible Service of Alcohol and Food Safety Level 1 & 2.**

Our Term 3 program will be finalised in late June and displayed on our website [milparacommunityhouse.org.au](http://milparacommunityhouse.org.au) or drop in and visit us at 21 Shellcot Road and grab a copy.

We have a **Newcomers' afternoon tea** to welcome new people to the area. Our next is on **Tuesday, August 30 at 2 pm.** Please let us know if you are attending so we can organise your information pack.

We are hosting two **Small Business Victoria workshops:** Marketing for Growth on Tuesday, June 7 and Successfully Exit your Business on Tuesday, August 9.

Milpara is more than just a learning centre, we are also here to offer community service and support. In addition to the **Emergency Foodbank**, we have **free counselling services** available. To book an appointment for Financial counselling call 1800 286 260, for general counselling call 5662 5150.

Milpara is against family violence. The statistics are quite shocking. 1 in 3 women have experienced physical violence since the age of 15. In 2015 the Victorian Police attended 74,300 family violence incidents. This equates to violence in 204 houses per day. Men's violence is the leading cause of preventable death, injury and illness in Victorian women in the 15 - 44 years age group. This is ahead of drugs, obesity and cancer! A great resource is the 1800 RESPECT national phone help line, which provides sexual assault and domestic violence counselling services.

For more information about Milpara please call us on 5655 2524.

## Rotary Club of Korumburra

The Rotary Club was pleased to be able to organize **Emmanuel Kelly** to visit Korumburra on May 14th. The special evening was held at the Italian Club of Korumburra, and a big crowd was in attendance to listen to Emmanuel's inspiring story, as well as hear him sing.

He has certainly come a long way, from being rescued from a shoe box in war torn Iraq, raised in an orphanage run by the Mother Theresa nuns, then being adopted by Moira Kelly and moving to Australia to live.

Over the past 14 years in Australia Emmanuel has had 6 surgeries, and has had to work really hard to achieve his goals.

The Rotary Club was proud to be able to donate the **proceeds** from the evening to the **South Gippsland Special School** in Leongatha. Principal, Heather Braden was thrilled to accept the cheque for \$3,000

presented to her at the end of the evening.

The **Robyn Holmes Foundation** has recently disbursed more funds. Grants have been made to **Stewart McKenzie**, to assist with his transition to tertiary education and the **Southern Fusion Netball Club**, to assist with expenses involved in participating in the Under 17 National Championships in Newcastle in June.

The Robyn Holmes Foundation Committee has been meeting with representatives of the **Korumburra Community Children's Centre**, discussing the idea of assisting with

making an addition to some part of their building project. At this stage, an outdoor gazebo is being proposed, which would be of benefit to the maximum number of users of the facilities. We are hoping that this idea will come to fruition later this year, before the new KCCC opens early next year.

The Federation Art Gallery in Korumburra has recently hosted an exhibition of paintings from the Rotary collection, then in the last half of May, an exhibition from artist Anne Wood. Anne has been a contributor at the Annual Rotary Art Shows for the past few years, and is renowned for her beautiful, large pastel artworks.

## Korumburra Round Table (KRT)

KRT is currently leading the Korumburra community in the development of a community plan, which comprises a list of priority projects for Korumburra. Here are some of the suggestions contributed by Korumburra residents so far:

- Develop the old nursery site on Commercial Street as a community space (i.e. a park, rest spot).
- Transform the railway area between main street shops and rail track.
- Explore an alternate heavy vehicle route for town centre - look at better transport and accessibility.
- Use the railway station area for bus drop-off and pick-up and totally rejuvenate the subway.

- Establish a central community hub, for all the town's community services (eg. Milpara) onto one site.
- Implement the projects set out in the Korumburra Streetscape Plan.
- Bike Track from Korumburra to Leongatha. (Long-term project).
- Develop the land below the tyre service as a better picnic spot with more facilities, rotundas etc.
- Construct a Development Strategy to sell Korumburra nationally and internationally.

***Your ideas are needed! Please email them to [korumburraroundtable@gmail.com](mailto:korumburraroundtable@gmail.com) or call KRT Chair Brian Hess (0429 181 253) or Deputy Chair Pee-Wee Lewis (0408 057 997).***

### **Hope**

We make some words do a great deal of work! **Hope** is one of them. "I hope I win Tattsлото" is more wishful thinking. Hope can also be an aspiration about the future – "I hope I get a good job". And then there is hope based on promises - marriage vows, for example. In this last case it is faithfulness over time that sees hope fulfilled.

It's this third type of hope that is most commonly expressed in the Bible. Jesus has made promises that raise our hopes. Here are a few examples: "Come to me and I will give you rest for your soul." "I will never leave you or forsake you." "I have prepared a place for you in eternal life with me." These are extraordinary promises. The question is, how faithful Jesus is to his promises. From all we know about him he has proved utterly trustworthy.

That doesn't mean our 'hope' is always sure and easy. Our faith can fluctuate depending on circumstances. A time of difficulty can prove a real test of our hope as we wrestle with questions

like 'why?'. On the other hand, easy times can also diminish hope because we don't seem to have any immediate need.

To lose hope, for whatever reason, takes the wind out of our sails. But a well-founded hope carries us through life. Our deepest hopes are realised in our relationships, including our relationship with God. One of the benefits I get from belonging to a church is greater hope as I become more familiar with Jesus and his promises.

### **South Gippsland Arthritis Support Group**

The Group held its Seminar in April for people suffering from Arthritis, their carers or anyone interested. The day was a great success with 85 attending.

Doctor Thevathasan (Rheumatologist), locals Jess Cook (Physiotherapist) and Lindsay Sriebe (Occupational Therapist) were very interesting and informative speakers and the Pain Management nurse and Olivia Lie from Arthritis Victoria showed how to use Nordic Walking Poles.

There were also Fact Sheets and Booklets to help explain and manage the various conditions. It was a very busy but enjoyable afternoon.

We would like to thank all the retailers and others who contributed so generously to our raffle.

The group hopes to interest more people in joining us as it is very beneficial to the well-being of people to be with others suffering from the same problems and have some fun at the same time.

***Our Meetings are on the 1st Tuesday of each month at 2pm at the Korumburra Recreation Centre and all are welcome.***

## 2nd Korumburra Scout Group

### Scouting is a Global Family

Term 2 for our young charges set off at a cracking pace.

10 young Joey Scouts and Leaders attended the Victoria-wide Kangaree. From all reports a great time was had by all. Joey Scouts were also well prepared for the Dawn Service on ANZAC Day and Mothers Day.

Cub Scouts are celebrating 100 years of Scouting, the centenary badges are being proudly worn by all Cub Scouts. Last term there was a huge 'Baloo's' picnic at Melbourne Zoo - some lucky Cub Scouts met the King of Sweden. One little Cub scout was bemused - "He wore ordinary men's clothes, spoke English and didn't wear a crown."

Leadership course for older Cub Scouts, lots of traditional Cub Scouting activities such as camping, open fire cooking, knots and doing service for others has kept all busy.

Scouts back from Jamboree, wanting to enjoy that feel-good experience soon had hikes, - the Warburton Trail hike was superb - lots of challenges, team work and fun.

Joey Scouts, Cub Scouts and Scouts all met together to celebrate Harmony Day, working in small groups - all ages, 5-15 years. Each group dug deep and discussed tolerance, understanding and empathy to all. A Harmony Day tree grew with many "hands" listing these

things. The Scout Troop is currently planning its next adventure - Operation Tassie - a hiking tour in Tasmania.

During Volunteers Week there was lots of community discussion around being a Volunteer - no cost to you except time, training and the uniform is paid for. Here is our extract from a parent who volunteers their time:

"As a parent helper, I love watching the kids have fun whilst learning and developing a sense of responsibility through Scouting. I also develop my skills, particularly learning more patience and forbearance, and cooking/catering skills for 30 hungry kids! I am constantly amazed at the energy and ideas that the Leaders bring to the Group and their unwavering calmness and kindness. The effort they put in is amazing and as a parent helper I get to put a little bit back by way of thanks. I'll be packing my tent for the next camp for those reasons alone!"

## **Coal Creek Farmers' Market**

*The place to meet the local producers*

The Coal Creek farmers' market is on every 2nd Saturday of the month. Throughout the year this monthly market reflects the changing seasons with a diverse

range of produce on offer.

The market is packed with a great variety of stalls this time of year. During the winter months find local growers Kurinda's bare rooted roses and Racheal's fruit trees - they are also available for gardening advice. In July Gippsland-grown Valley Hazelnuts will be returning. Well worth a taste are locally made Curry Puffs from Mirboo North and there is always a large assortment of cakes including from the CWA and Jumbunna Hall committee.

*What is the market like?* You will be greeted by an open air market set in a carpark and beautiful picnic area. With the sunlight filtering through

the trees and canopies, customers move from stand to stand inspecting tables laden with fresh produce and fill their bags with vegetables, berries, fruit, cheese, olive oil, selecting a variety of meat, free range eggs or maybe that special plant for the garden.

There is a hum and flow of conversation - customers chatting with farmers and producers, asking questions and advice, seeking their favourite produce. Then you see the delight of friends unexpectedly bumping into each other, with the opportunity to sit down for a cup of coffee in the picnic area and listen to local talented buskers entertaining the crowd.

So come and have an enjoyable morning knowing you are supporting small local business, farmers and producers.

## R & J Line Dancers

We are a friendly, small but keen group of dancers who get together at the Anglican Parish hall to enjoy exercise, learning new dances and having fun. As line dancing is a weight bearing exercise it is helpful in the prevention of osteoporosis and the learning and social aspects are good for the brain.

We dance to all types of music, not just country and western. Some recent dances are done to music by Elvis Presley, ABBA, Meghan Trainor, John Farnham and One Direction.

We cater for all levels of dancers from complete

beginners to intermediate level and are hoping to start a new beginners course soon. You do not need to have a partner and the exercise can be either gentle or more energetic.

If you are interested in more information phone Bev on 5674 1836 or call in at the hall on a Wednesday night - Beginners at 6pm and Easy Intermediate/Intermediate at 7pm.

## Friends of Coal Creek

Friends of Coal Creek (FOCC) hold their meetings on the second Wednesday of the month at the Coal Creek Village.

A special thanks to all those who have offered their services including John Cengia, Jack Oster, Rob Whitaker, David Jackson, Frank Hirst, Mick Belvedere, Syd Whyte, Adam Collard, Geoff Wyatt, Alex Roncari, Raphael Magnusson and Wayne Mariner. We hope the Winter weather

will hold off long enough for the outside work to be completed.

We also encourage members to join the FOCC customer tag (community benefit membership) at Michael's IGA.

Membership \$20 each, \$40 a family; (the term begins from the 1st October each year.)

Anybody interested in assisting with the repairs to the buildings or in becoming a member, may contact Joan on 5655 2126, or Syd on 5655 1247.

**South Gippsland Mental Illness Carers' Group**

If you are caring for someone with a mental illness it can be a stressful, lonely and difficult experience.

Our support group enables carers of the mentally ill to realise that they are not alone and, in the company of other carers, can find support, friendship and a laugh!

This particular carers group commenced nearly 20 years ago and we mainly meet at Inverloch once a month. We meet at the Bass Coast Community Health building, next door to the supermarket in Reilly Street, Inverloch, at 10.00am on the second Monday of every month, except January and June, and a couple of 'odd' weeks when we meet on the Wednesday at a bakery. Some meetings we have guest speakers

who come to talk about different aspects of caring for a loved one with mental health issues.

Our group is covered by the Mental Illness Fellowship and we try also to keep in contact with other carer groups to try to provide a voice for carers and to maintain a carer focus in the community and in Government.

We are a friendly, supportive group for carers of family and friends suffering a mental illness.

If you would like to know more about our group or would like a copy of our 2016 programme, please phone Maggie 5658 1781 or Rosemary 5662 4352.

*See page 36 for Mental Illness Fellowship contact information.*

## Jumbunna Bush Market

On the 1st Sunday of the month the Jumbunna Bush Market is held in the local hall on Cruickshank Road, Jumbunna. It runs from 9.00 am until 12.30 pm.

For anyone in South Gippsland it is a pleasant Sunday drive to Jumbunna. A variety of stalls stock mostly home grown and home made goods for sale, as well as an array of plants and crafts.

They are always looking for more stallholders for their large hall. **A very nominal fee is charged (\$6.00) for a market with all stalls under cover.** As it is under cover it doesn't matter what our weather does, whether it is hot or raining there is shelter from the elements.

There are delicious homemade cakes and sandwiches to have with a "cuppa" at the most reasonable price around in our community.

Why not go for a picturesque drive and have a cuppa or if you are a late starter on Sundays, a sausage for lunch, or even breakfast?

There are many other wares too, ranging from jams, relishes, fresh vegetables, cards, knitted garments, wood burning art/craft, plants, homemade bags, trash and treasure and jewelry.

For the book worm who does not rely on the computer there are plenty of books for sale.

Come and have a browse in a friendly atmosphere.

Also look out for the Jumbunna ladies at the Coal Creek Farmers Market. All proceeds from the Markets go back into the Hall Funds for ongoing maintenance
