Burra Artists

Burra Artists is a community project of the Korumburra Baptist Church. We are a group of like-minded local artists seeking enjoyment in painting and drawing, in an informal environment.

People wishing to explore their talents are encouraged by members in a way that helps to bring out the best of one's art. We recognize that all artists are different, and supporting these differences develops the artist, often with great results. Art is being creative, and being creative is an art in itself!

Held fortnightly in the hall at the rear of the

Baptist Church on Thursday evenings from 7pm to 9pm, the activities vary from abstract to realism, paints to pencils. A limited amount of materials are available to get you started. To cover costs and tea and coffee, there is a fee of \$2 per night.

The art group has exhibitions from time to time during the year and it is important to note that it is an art exhibition and not competition. It is also a chance for artists to sell their work if they wish. The welcome mat is always out, and for those interested in really getting into their art they should contact Clint Branch 0400270908.

Korumburra A & P Society

In 1893, a public meeting was held in the Mechanics Hall. It was decided at this meeting to form the "Korumburra

Agricultural & Pastoral Society." Just three weeks later, their first show was held.

According to an article in The Age on 5 April, 1893 "There was a good lot of entries, and the quality of exhibits was first class. There were only five of classes: poultry, dairy produce, farm produce, root crops and miscellaneous. The poultry made a splendid show; the vegetables were magnificent, and the fruit and root crops good. The management of the show was excellent. There was a large attendance all day, and the concert in the evening was a success."

On 26 January 1984, the first Annual Show was held. A special train travelled from Princes Bridge Station, Melbourne to take judges, politicians, reporters and spectators to Korumburra for the show.

There were entries of poultry, including ducks, geese and turkeys, cattle (Herefords, shorthorns, Ayrshires), sheep, pigs, dogs, produce, horses, saddlery, farm implements and machinery. Over 600 exhibits were received and attendance on the day numbered 1500 people.

In 2020, on Saturday 8th February, the Korumburra Agricultural & Pastoral Society will be holding its 125th Annual Show. For updates check out the "Korumburra Show and Other Events" facebook page.

Burra Poets

Burra Poets meet every month to enjoy an eclectic range of poetry, from original works by members and guests, to passages from Shakespeare, or Winnie-the-Pooh.

Poets and poetry lovers of all ages and from all places welcome. You can read from your own work or your favourite poet's works or just come along and listen. It is an informal, fun and supportive atmosphere, and there is always cake. **Afternoon Tea and Poetry:** On the third Monday of each month we meet at the Korumburra Library, 165 Commercial Street, for afternoon tea and poetry from 2pm to 4pm. If you would like to pop in after school let us know and we are happy to stay on.

Our next meets will be held on September 18th, October 21st and November 18th.

Local Gippsland poets James Walton and C.S. Hughes will both have poems featured in the upcoming issue of 'The Blue Nib Literary Magazine'. You can borrow copies of C.S.

Hughes's "The Book of Bird & Bear" and "The Book of Whimsies", and James Walton's "The Leviathan's Apprentice" from Korumburra Library.

James Walton's new collection "Unstill Mosaics The Book of Love, Loss and Longing" is available now.

James also has a limited number of signed special editions available. Contact us for details.

Members of Burra Poets will be attending 'The Demented Echidna Poets Collective' bimonthly poetry meet at the Steam and Riddles Cafe, 2/7 Bank Place, Drouin on 21st September. Please contact us to confirm. You can also check our facebook page for updates and extra meets, or subscribe via email to olga@nerdalicious.com.au or text to 0448432804.

Samaritans Purse

It's time to pack shoeboxes again with Christmas gifts for underprivileged

children overseas. Last year containers went from Australia to Cambodia, Fiji, Papua New Guinea and the Philippines. Imagine the delight and joy of children, who have probably never had a gift before, and their parents who are too poor to ever give their children gifts. They realise that someone cares about them and wants to bless them. These may be the only gifts they will ever receive.

Wendy and Rob Nyhuis from Leongatha were able to go to Cambodia to see some of the projects of Samaritan's Purse and to help distribute shoeboxes. This was an unforgettable experience to be with the children as they opened their boxes. The noise of excitement and delight as they investigated their boxes was incredible. Wendy and Rob came home encouraging us to make double the amount of shoeboxes!

It is suggested to include gifts from each of the six categories below.

Something to love – eg. a soft toy

Something to play with – ball, skipping rope, car

Something to wear – T-shirt, shorts

Something for hygiene – soap, face washer, toothbrush

Something for school – coloured pencils, exercise book

Something special – bag, sunglasses, necklace.

The shoebox should be no larger than an A4 paper size. Special preprinted boxes and information brochures are available from your local contact person Doreen Western on 5662 3859 or email: westerndoreen@gmail.com.

Rob Nyhuis handing out boxes in Cambodia

To enable the boxes to reach their destination and to cover other costs of the project it is asked that a \$10 donation be included with each box. If you give online through 'Follow Your Box' at www.operationchristmaschild.org.au you can discover the destination of your box. Korumburra will once again be the collection centre for South Gippsland.

Dates are: Tuesday 15th October, Wednesday 16th Oct, Thursday 17th Oct, Friday 18th Oct, from 10.30am to 1pm each day, at Southern Hills Church, 4 Mine Rd Korumburra.

As your generosity leads you to take part in this 'hands on' project you will feel blessed and achieve more good than you can imagine.

Are you new to the Korumburra area?

If so we'd like to welcome you to the community with light luncheon.

Korumburra Probus

In the past months we have had guest speakers from all walks of life.

Sharron Kennedy, in her well known humorous manner, filled us in on the many

challenges starting what is now a most successful tourist business. Gary Wolswinkle spoke movingly of his memories of living in Holland and Germany during World War II.

George Ronalds from Jindavick told of his most interesting life story from boyhood to retirement. He not only became a very wise farmer, but his family set up the renowned Jindi Cheese Factory, world recognized for their brie. He also told of the family's near death experience in fires ten years ago.

We had an enjoyable day on our trip, with Doug up to his usual mischief in the bus to Port Albert. The recent rebuilding of the Port Albert Jetty was interesting to see, followed by fish and chips for lunch. Our next stop was a kelpie breeder's farm, showing us the amazing working ability that the dogs have with sheep. On our way to Christmas in July at Olinda, we stopped for morning tea at Grants Picnic Park in Belgrave. Several members enjoyed the Leongatha Lyric Theatre's latest production Young Frankenstein.

The Getaway group are off to Paynesville in August, with further outings planned to the Wildflower Restaurant, the Friendship Day in September, a surprise bus trip in October, and finally the Drum Theatre Christmas Show. We will then be looking forward to our Christmas Party.

If you would like to join our great club, you would be most welcome to come to our monthly meetings at the Amenities Complex every second Monday at 9:45am.

For further information contact President Helen Checkley 56552247 or Secretary Helen Willison 0429 81 0311.

2nd Korumburra Scouts

A presentation night was recently held for the 2nd Korumburra Scouting group to celebrate a very successful year.

Joey Scout of the Year is Sian Marshall, and Cub Scout of the year is shared between Kynan Staley and Natalia Althorp. Scout of the Year is Danni Amor and Venturer of the Year is Ethan Hart. Stephen and Terrie Cue were presented with a certificate in recognition of their years of leadership and service.

We all look forward to a stimulating, exciting 2019/20. 2nd Korumburra covers scouting for all those aged 5 years to 18 years, with a fun filled program each week. Currently we have two of our Venturers at a World Jamboree in the USA. Do you know a young person who is interested in

joining Scouts?

Joey Scouts is for those aged 5 to 8 years. Please ring Michael on 5659212 for information.

Cub Scouts are for children aged 8 to 11 years. Please contact Heidi on 0418 384 128, Scouts is for youth aged 11 to 15 years; leader Debbra can be reached on 0405 404 820.

Finally, the Coal Creek Venturers is for those aged 15 to 18 years. Further information can be obtained from Belinda on 0407838268

If you are over 18 and interested in a Leadership role please call Shirley on 0427804361.

Korumburra Horticultural Society

The Korumburra Horticultural Society has met for many years at Coal Creek, and it has proven to be a very good arrangement for our club. However, recently we have been informed by council that the building will be closed Tuesdays & Wednesdays for sometime. Since we meet on Tuesdays this has thrown us out a little, but we have reached an interim agreement with council representatives and they will be able to accommodate us until at least April next year.

This gives us time to consult with members and to find alternative premises if necessary. We are hoping we won't need to move from Coal Creek, as it is a valuable community resource for Korumburra that supports community groups.

We were lucky last month to have the delightful and talented Shahni Hance, who gave a lovely presentation on all the things that can be done with rose hips. We tasted rose hip tea and cordial, had sandwiches made with rose hip chutney, scones with rose hip jam and jelly, and even rose hip face cream. All these were made and beautifully presented by Shahni, a trained florist, who could show us how simple it is to preserve rose hips and leaves for use in floral art and vases.

Next month our speaker will be a local lady who uses plant material to dye fabric and wool.

Our showbench last month was very interesting, especially considering that at this time of the year we don't expect too much colour from our gardens. Happily we had some daffodils to show us that spring is coming, and one member had a pot of tiny fritillaries, only two inches high but exquisite. We even had a late rose bloom.

Camellias are now finishing their annual display, the luscious flowers falling at their feet to leave a carpet of colour on the grass, and who doesn't love a self mulching shrub? Michellias are looking magnificent and the magnolias are also bursting into bloom. Soon it will be the turn of the spring blossom trees.

All along the roads the wattle is out, and Gippsland is full of green paddocks and golden wattle. I don't want to grizzle about the rain but I can't help feeling it might look even better in just a little sunshine. Our next meeting will be on the first Tuesday afternoon in September at 1:30, as usual at Coal Creek. All visitors and guests will be warmly welcomed and members will provide afternoon tea.

Korumburra Community Development & Action Inc

There are a number of benefits available to your community group through the KCDA. The first is the use of 3MF M for free advertising of Korumburra community events.

If your group is not incorporated and wishes to hold an event perhaps you would be interested in joining us at our meeting held on the second Tuesday of the month at 7.30pm, and we can see what assistance we can provide.

We will also be running another **'Open Gardens Day' on November 16th**. Thanks to those who are willing to open their gardens.

Community Groups are encouraged to use the website: www.korumburracommunity.org.au.

If you would like to advertise an event, the email address to provide your information is administrator@korumburracommunity.org.au

There is a notice board situated outside the Korumburra Hotel. The public may use this community board for events in the Korumburra area and neighbouring towns. Have a look and find out what's happening in our town.

Community groups may book the meeting rooms in the old Access Centre now known as the K.C.D.A. Inc Meeting Room.

Welcome Kits: new to the area? Ask your estate agent.

Don't forget to promote your community group in the Burra Flyer to increase your group's membership and promote your events. Contact the editor at burraflyer@gmail.com.

KORUMBURRA OPEN GARDENS

Saturday 16th November

A community garden walk, featuring five gardens, two never opened to the public before. Gardens are open from 10.00am to 4.00pm \$10 per head, with children 14 to 16 yrs \$2 and children under 14 free.

There will be plants for sale and a sausage sizzle available.

All proceeds go to Multiple Sclerosis Research. All five open gardens are in Nason Street.

For further details or directions please phone 0400 976 248.

Friends of Coal Creek

We would like to thank the volunteers who have assisted in the restoration of the Lands Office and the public for their support. We thank them for renewing their membership and making donations. Syd, our president, advised that work was still proceeding on the Lands Office and we look forward to the building being restored to its original condition in the near future.

We encourage members to join the FOCC customer tag at Michael's I.G.A., and once the restoration of the Lands Office has been completed, money raised will assist renovations

in other areas in the park.

We plan to organize more entertainment for the community. Funds raised will go to assist Coal Creek once the Lands Office restoration has been completed.

FOCC hold their meetings on the second Wednesday of the month. To become a member and support us, the fee is \$20 each, or \$40 per family. Anybody interested in assisting with the repairs to the buildings, or in becoming a member may contact Joan on 56552126, or Syd on 5655 1247

Korumburra Rotary

What an incredible quarter we have had at Korumburra Rotary since the last edition of the Burra Flyer!

Our Membership is up by almost 20%, which has introduced some wonderful new people and skills into our already diverse group of members including events coordination, IT facilitation, accounting and the education sectors.

We have a new President, Richard Oldham, who is embarking on an education process to improve the club's knowledge of Rotary programs. Richard and our Projects Director, George Auddino, would also like us to find that one longer term community project to work on - all avenues are being explored. If you have any suggestions please contact Richard on 0407625 270.

Youth Exchange is a favourite of ours, and we recently welcomed Julia Moeller from Germany. Julia has joined Year 10 at Korumburra Secondary College and is first being hosted by Cam and Steph Whyte of Kardella.

Meanwhile, our two outbound exchange students are having the time of their lives in Germany and Italy respectively and doing our club and town proud.

Looking forward, we have our major fundraiser, the Annual Charity Dinner Auction, all booked for Saturday 12th October at the Italian Social Club in Korumburra. Save the date as it promises to be an entertaining evening with some bargains and a major raffle prize. The proceeds of our

President Richard Oldham inducting Beck Anthony into our club.

auction go to the Robyn Holmes Foundation, which is managed by Rotary and is now in its fifth year. The funds are used to inspire and support children, youth and families in our area. During the last five years the Robyn Holmes Foundation has distributed over \$55,000 to 43 recipients.

To round a busy year off, we are looking forward to 'New Year's Eve on the Hill' in late December. This, along with the Annual Dinner Auction, are our two major fundraisers for the year. Did you know you can lend a hand to Rotary without being a member? We always welcome 'Friends of Rotary' to come along and help with events we are involved in. Please contact Richard if you would like to consider this option as we would welcome your help with open arms!

Korumburra CWA

In July, CWA Korumburra held an afternoon tea to celebrate our Association Day. It raised over \$200 for charity and was just one example of the many diverse fundraisers throughout the

year by the CWA.

In August we welcomed guest speaker, RSL President David Jackson, talking on the importance of keeping the ideals of the RSL alive within the community and passing this on to the

next generation. We also discussed plans for the 2020 centenary and a request for poppies to be knitted or crocheted for the upcoming events. Membership is open all year round for women of all ages. Joining the association opens up opportunities to learn new skills in craft, cooking, gardening etc, while giving back and helping the community.

CWA Korumburra Branch meets on the 2nd Monday of the month at Milpara Community House, 21 Shellcot Road Korumburra at 1pm. We look forward to seeing you.

Korumburra Croquet Club

Here's an opportunity for residents of Korumburra and surrounds to experience the croquet revolution. We will be holding a **Come & Try** day on October 5th at our club, located at 44 Victoria Street Korumburra. While this event is held in conjunction with the Seniors Festival, it is not limited to the elderly, so if you fancy having a go you are certainly welcome.

Over winter, we have been holding our winter luncheons. These are always a success as they keep members in touch during the times when it's too cold or wet to get out on the lawns to play.

Our 2019/20 season opens on September 21st. Contact Helen on 5655 2247 or Joan on 5655 2126.

We are also on Facebook and have a web page under Victorian Croquet Association if you want to check out what we do.

Competition (tournament) games are not compulsory but some of us like that challenge and so four of our members played at the inaugural Leongatha Doubles tournament and one team came runners-up in their section.

Stamp Clubs

The Korumburra Stamp Club meets on the third Thursday of each month at the RSL Hall, Mine Rd Korumburra, starting at 7.30pm.

All are welcome. The September meeting is on the 11th, with October being on the 17th, and November on the 21st.

The theme for each night will be selected at the previous meeting. The Andersons Inlet (Inverloch) Stamp Club meet every second Wednesday of the month starting at 7.30pm at the Uniting church in William street.

All are welcome. Next meeting will be September the 11th, October will be on the 9th, and November is on the 13th. The theme for each night will be: September the letter "J", October the letter "K", and November the letter "L".

Hope to see all there. New members are always welcome and any one interested is also welcome.

Tea and coffee are available as well.

Southern Lights Festival

Back in August 2018 we received confirmation that our Southern Lights Festival idea had been chosen through the voting process of the Pick My Project scheme.

We received an incredible response and with the community's support we received enough votes to be granted the funds.

So we held our inaugural Southern Lights Festival on Sunday 9th June on the Queens Birthday weekend.

photocourtesy Andrew Franks

Wow, wow, wow!!

What a fantastic festival it was. We were truly blown away with the support of our community and from all those that travelled, with an attendance of well over 7,000 people.

With our free entry, live music, food vans, market stalls, free kids entertainment, fire performers, fire

drums, the enormous bonfire, we ended the night with the most incredible fireworks display Korumburra has even seen.

So now we are gearing up for part two, which is our 'Southern Lights Light Project'.

We will be lighting up Commercial Street with 13 laser cut steel drums.

The drums will display images, patterns and text that will be an intriguing display by day, and will look amazing at night when they are illuminated with our lighting system run by rechargeable batteries. The drums will be displayed for six weeks.

The aim is to brighten up the cold winter nights and get everyone out and about to enjoy the display and to entice as many visitors to our town as we can.

So be sure to spread the word.

Korumburra Landcare

It's Spring, which means warmer days mixed with rains and icy mornings. It also is the perfect time to get on top of the Ragwort (*Senecio jacobaea*) issue you may have on your property (photo). The flower may be a pretty yellow, but it can be highly poisonous to livestock. It is a regionally controlled weed meaning landholders must take all reasonable steps to control it and prevent its spread on their land and the roadsides which adjoin their land. Each plant can produce up to 200,000 seeds. Seeds are

spread by wind, water, vehicles, animals and clothing. Viability is eight plus years.

One of the many things that the Korumburra

Landcare Group can do, is give landholders advice on best practices for managing Ragwort as well as all other types of weed management that you may require on your land.

We also have informative sessions on a range of topics. In June we had Dr. Lynette Plenderleith come and visit us and talk all things frogs, hosted by the lovely Prom Country Cheese. There is only one species of frog in the world that says the catch phrase "Ribbit", if you listen closely none of our frogs make that noise!!!

Check us out and like us on Facebook, where you will get up to date information on Landcare events, tips and tricks on the environment, biodiversity and sustainability and you can read more random facts about frogs.

Arawata Landcare Group

South Gippsland Landcare Network staff have moved to the RSL annex in Leongatha recently. We hope it will be more productive for the membership of the 14 groups across the shire. Glen Brooks–McMillan is the facilitator who will occupy the shared space for two days per week. Appointments need to be made for direct meetings. The shire works team have concluded their part in the recent grant to the value of \$4500 at Hamann’s Bush project. Four members have yet to meet their obligation however the Catchment Management Authority (CMA) have cleared willows at Ruby. Wet weather has hampered fencing recently. The reservoirs at Korumburra are no longer viable and timber will be logged on the Bellview, and the water level will be lowered. Ness reservoir has been drained. Arawata reservoirs will be business as usual. Weeds are again the biggest issue as we attempt to educate new property owners and some recalcitrant

landholders. Even organic farmers must comply. We anticipate, through the Community Weeds Taskforce (CWTF), engaging with the shire to consider rate discounts for those who comply and fine those who flout the regulations under the CALP Act. The CWTF is endeavouring to have the shire create bylaws to deal with weeds on land less than 100 acres. Many farmers have faced drought conditions across the state and their dams are still wanting. Agriculture employs 87,000 people and most are employed directly however the spin offs are much

Poowong Landcare Group

We had our Annual General Meeting recently, and reelected Mark Walters as President for 2019–2020. Peter Jacques has been re-elected Secretary, and Elvie Clark was also reelected as Treasurer. The Poowong Group is involved in many projects and is able to see the results of its previous endeavours as the trees grow and provide shade and habitat for wildlife. Our efforts have been concentrated on trees, soil health and carbon sequestration in healthy soil. Lobbying government on weed eradication has resulted in change of political party policy. We have also been involved in planning a river walk along the Bass River for recreational and educational uses. Recycling of silage wrap has been a focus, as is reducing erosion and land slip. We are looking into how we can reduce our use of plastic. Boomerang Bags Korumburra has just started, and Landcare members can support this group by buying bags when they become available.

Our regular meetings are on the 3rd Friday of the month at 7.30pm at the Poowong Fire Station. Drinks and nibbles are available from 7.00pm. Do come and join us if you would like to take action to care for our environment. All welcome

South Gippsland Concert Band

A fabulous fund-raising event was held at Prom Country Cheese recently in the form of a delicious lunch. The SGCB were extremely grateful to the team at Prom Country cheese who donated the lunch for hungry musicians, who did also play for their 'supper' with beautiful Mozart, Tchaikovsky and Bizet for two clarinets and cello.

The band will be busy this spring playing for nursing homes across Korumburra, including Alchera House, Hillside Lodge and Carinya. Residents can expect to be entertained by a range of new music including the new arrangement of Klezmer music for concert band, music which is reminiscent of wartime Jewish street bands and quite nostalgic to listen to.

The band rehearses in the cosy warmth of Coal Creek information centre on Monday evenings and members enjoy a social supper afterwards with many new friendships formed. Social outings are a feature of our friendly band, with opportunities to attend informal rehearsals in private homes and to get together for organised meals or catch-ups. New members are very welcome.

Milpara Community House

Our Vision is for people in the district have access to new skills, personal development and community networks. Our Mission is to be the focal point for the delivery of a range of services and learning opportunities. Milpara has developed from a simple playgroup into a multi-faceted organisation offering community services, adult education classes, groups, and advocacy, referral and support services, while retaining its original intention and living up to the meaning of its name – "Meeting Place".

Milpara's history is entrenched with dedicated volunteers; without them the Community House would never have developed further than an idea. From 1979 childcare operated from Milpara until the opening of the Birralee Childcare Centre in Victoria Street in 1982. The small operational grant meant that the majority of childcare had to be provided by volunteers. The Milpara Committee then approached the Shire to retain the building in Shellcot Road as a community house and it has been registered as an adult education provider since 1984.

Volunteers are an integral part of the team even today. Milpara has no full time workers at all. We are run by a volunteer Committee of Governance, and while the building is owned by the Shire we are not financially supported by the shire and are completely independent.

Milpara receives the majority of its funding through the Neighbourhood House Coordination Program (NHCP). The Department of Education and Training contracts Milpara Community House to deliver Adult Community Further Education courses as a Learn Local organisation, you'll notice those courses in our program with a LL logo. Federal funding is provided by the Department of Human Services to host and operate the Centrelink Agency on site 10 hours per week. A major source of income is self-generated through the delivery of Adult Education courses and sessions. Our Food Bank is not funded at all, with expectation of people who donate their IGA points. It relies on Food Bank Victoria, Aldi's Second Bite and the generous donations of businesses, groups and individuals.

We are a not-for-profit organisation and keep the costs of our courses and activities as low as possible. To remain viable we must generate our own income to cover our running costs and ensure we can deliver continued service to our community long into the future. So when you attend a course/workshop or group at Milpara you're part of the big picture!

KORUMBURRA PLAYGROUP

The Korumburra Playgroup has been run at Milpara Community House from the time that the idea of a community house started to gather momentum in Korumburra, in fact it was one of the very first sites in town that provided care for children while mothers took up learning and ongoing study.

The Korumburra Playgroup is a parent run playgroup, meaning that the parents who attend can lead the way in how the playgroup runs. We are proud to be able to continue the tradition that started in 1979.

Playgroup hours: Friday mornings (during school terms),

10 am to 11.30 am

Burracudas - Korumburra's swimming squad

Training for the 2019–20 summer carnival season will start in the indoor pool on 7 October and will be held on Mondays and Thursdays. Participation in the squad offers members the chance to refine their swimming technique to participate in competitive swimming. Swimmers interested in joining the squad are encouraged to attend the Come and Try nights that will be held on 7 and 10 October. There is no age limit for new members, but you must be competent in two strokes and able to

swim at least 25 metres if under 10 years of age, and at least 50 metres if over 10 years of age.

For information contact the squad manager, Lesley Turton, on 0418547323.

Korumburra Indoor Swimming Pool

Do you know that you can hire the Korumburra Indoor Swimming Pool?

The pool is managed by a volunteer committee and

is available for hire in half hour blocks for only \$15. Ongoing weekly bookings are available, but you can also hire just a single session, a fun Sunday or school holiday activity for the family or a group of friends.

Call our messagebank if you are interested and we will return your call: 56551681.

If you have injuries, medical conditions or are recovering from an accident, you are welcome to join our 'Rehabilitation and Self-Help' sessions on Monday, Wednesday and Thursday from 1.30 to 3pm for \$2 per session. No bookings required, just come along to a session and someone will assist you, or for further information call the message bank: 5655 1681.

Korumburra Bowling Club

Spring is the start of all things related to bowls.

In August our team of volunteers put together a schools bowling program which means kids come down to the club with teachers and are shown the skills of bowling. This is a fantastic idea as we need the next generation to carry on after us. Julian Bradshaw is a good example of a young man having a go and in his first year of bowling won the "B" grade club championship. Julian also has represented Korumburra in Melbourne.

Our volunteers

October will see the finishing touches of the north end project. Grand final eve, 27th September, will see the last of our winter pairs. This format has been most successful thanks to Allan Jordan. Ring 0428112324 if you want any details

Bev Underwood was the winner of the raffle at our talk by Nolene Cosson in June. We raised \$300.

Our openday will be in September (weather permitting). This is the traditional way of opening the bowls season. A life member will throw the kitty down and a bowl, along with the flag flying high. October is our tournament - much needs to be done for this to run smoothly. After that the monthly triples are a go! Ring Col Underwood on 0445 500 138 for any details.

November sees the start of many state games. Last year the Burra were well represented. Our counter teas will be up and running as normal on the second Friday of the Month. Keith is taking on the task again this year and does a fantastic job along with his band of helpers. Ring the club rooms for a great meal and a chat. Don't forget "happy hour" every Friday.

South Gippsland
Shire Council

Milpara Community House is happy to be able to host the South Gippsland Shire Council *Smalltalk* facilitated playgroup during the school terms.

smalltalk aims to increase parents' confidence to do the things we know can have a positive impact on their child's learning. It is about using everyday opportunities and the activities that many parents already do in the home to enhance their children's learning and development. These include the way they talk, listen and play with their children, read together and how they engage them in interesting and stimulating activities. *smalltalk* also includes ideas on how parents can look after themselves and helps build links with their community and local services.

smalltalk Playgroup operates between 10 am and 12 noon each Monday at Milpara Community House, 21 Shellcot Road, Korumburra.

Korumburra Golf Club

The Korumburra golf course has undergone major improvements this year. These have made a positive impact and changed the look of many of the fairways. The clubrooms have wonderful views of the course and surrounding countryside. Golfers will find the fairways and

surrounds a little different in appearance and looking terrific. There are plans to repaint and refresh the bar area and there will also be delicious coffees available with the recent purchase of a coffee machine.

John Payne, who is the PGA Golf Professional at the club, provides a welcoming and encouraging environment for learning the game. Call John on 0491 115962 to book in for one of the clinics or for individual lessons.

The club is also offering a generous '2 for 1' Green Fee Spring special with golf-cart on Fridays and Sundays. Normally the price for two people playing 18 holes with a golf car is \$100 (\$50 each). With mention of this Burra Flyer Special when booking, the price is just \$35 each. Competitions run on Tuesdays, Wednesdays, Thursdays and Saturdays, with new members and visitors most welcome. Non-members are able to pay

green fees, then play nine or eighteen holes; a wonderful way to catch up with friends and family, with the added bonus of exercise, fresh air and appreciation of the beautiful course.

The Cup Day social function is planned for Tuesday November 5th and is a popular and enjoyable day, open to members and non-members. The format includes lunch, drinks and a chance to win great prizes, with no golf involved for this particular function, but great views over the course are guaranteed. If you would like to make up a table with friends or come individually, please ensure you plan ahead as there are limited numbers and bookings are definitely essential. Phone Chris on 0409 722204 for more details.

The clubhouse is a comfortable setting for the reasonably priced meals available on Friday nights from 6pm. Some people stay on after dinner to play bingo, which starts at 8 pm. The club also runs bingo in the Middle Hotel on Tuesdays, with 'eyes-down' at 10 am.

The clubhouse is a suitable venue for a range of occasions such as weddings, engagements, birthdays and daytime and evening meetings. The club has a built-in projector and big screen that is readily available for power point presentations for meetings or photo displays for special occasions.

Further details about upcoming golf events or hiring the club-house, can be obtained on www.korumburragolf.com.au, the Korumburra App, 'liking' Korumburra Golf Club on Facebook or by phoning the club, 5655 1886.

Taekwondo

All beginner students of K.M.J ohnston Taekwondo progress through a four stripe progression before they sit for their first official grading.

This system is an incentive to keep them trying hard and not give up hope, and in turn it will speed up a student's progress.

It can sometimes take a beginner a long time to take their first step and I believe this can be because a student can lose confidence and heart through constant discipline without reward.

So each time a student receives another progression stripe their mindset should be 'yes i'm getting there'. As an instructor I don't believe in verbally overpraising a student to try to get them through. I push my students and if they work hard they will get the rewards and reach their goals and then they can tell themselves 'I worked hard for this! I earned this!'

Since put in place, the system seems to be working well and all beginners seem to be progressing. In an addition to this progressive system every student of all grades must attend a minimum amount of lessons between each grade. This is to make sure every student earns their

degree on hard work and not natural talent alone.

I believe naturally talented students can also become lazy if they are rewarded too quickly just because they possess more natural talent. Our stripe system is to benefit beginners and help

Daria (left) recently received her second progressive stripe, and Zara received her fourth and final progressive stripe.

introduce them into the environment positively and confidently through a mix of discipline, hard work, goal setting and reward and seem to be working well.

Classes are held at the Korumburra Primary School. If interested you can contact me Kevin J ohnston on 0409 601371.

South Gippsland Orchid Society

Springtime is orchid time, and what a busy time we at South Gippsland Orchid Society have in front of us.

Apart from our regular monthly meetings, we have our Annual Show on Friday 6th and Saturday 7th September. This year we are celebrating our 30th annual show. A highlight will be the opening on Friday morning at 11.00 am. by Bass Coast Mayor Cr Brett Tessari. We will have a huge array of orchids on display, also an extensive array for sale, we will also be serving light refreshments all day.

Our club meets on the second Wednesday of each

month at the Angling Club Rooms, Wonthaggi Recreation Reserve at 7.30 pm. Members are encouraged to bring

plants for benching, please note plants should be benched by 7.15pm, rooms open at 7.00pm. Don't miss this chance to discuss any

problems you may be experiencing with your orchids plus the opportunity to socialise with like-minded people and enjoy a light supper.

At our September meeting we will have presentations of awards from our annual show, while in October Mr. Grant Garret will be our guest speaker. In November we will have our ever popular plant auction, an opportunity for members to buy and sell quality plants. For further information please contact.

Karmai Community Childrens Centre

We are a not-for-profit early learning centre, providing high quality educational and care to

children and families within the Korumburra and surrounding communities.

One of our many exciting elements is that we provide kinder and school holiday programs, where the children get involved in wonderful activities here at Karmai, in the local community and venture to other communities. Some of these activities include but are not limited to: cooking, visits to the library, trips to the movies, jumping castle, lazer tag, local parks and jump & climb. There are themed days, such as movies, sports, dress ups, basketball skills sessions and construction activities. Meccano, art and craft sessions and go-kart making are also regulars on

the schedule. Our teams, when designing the programs for the holidays, consult with the children that are at Karmai to ensure that the activities are ones that they will enjoy and are interested in. It is a lovely way for

children with parents who are both working to have a chance to catch up with some of their friends, during the term break. We have children attend from many of the local primary schools and some of the other local kindergartens as well. This creates a lovely community feel. If you are interested in our holiday programs or our other services please visit our website karmai.org.au or contact our team on 5655 2121 or email: admin@karmaiccc.asn.au

Korumburra Round Table

Much has happened within the Korumburra landscape: most notable is the recent appointment of Administrators to replace elected councillors at the Shire until the 2021 elections. This doesn't affect the way the Round Table works and we will continue to liaise with the administrators as we have with council. So far they have been eager to get up to speed with all that is happening in our community and they have confirmed their commitment to our Priority Projects.

One of those projects took a major leap forward at our August meeting, with the much-welcomed news by our CEO that VicTrack has signed an 18 year lease with the Council for the railway land from Leongatha to Nyora, which means the rail trail is full steam ahead! This wonderful project will prioritise families, nature lovers, walking groups, cyclists, Parkrun enthusiasts, café owners (and hence coffee lovers!), parents with prams, people with pets and those just out for a stroll who want to avoid the roads.

At our August meeting, it was also heart-warming to hear of Milpara's latest

plans to establish a 'Fixit Café' in Korumburra. The thought of having somewhere to take our own items to be repaired is very exciting. The aim is to have the Fixit Café open on a weekend afternoon once a month, and our very own Kelly's Bakery has offered to provide afternoon tea for those on site.

Our Golf Club rep, John Payne, reported continuing good news from the golf club, with the purchase of a full barista-style coffee machine up at the club, and renovations to the 1970s bar. So now there are even more reasons to pop up there for a counter meal on a Friday night.

Anyone wanting to nominate for one of the two-year terms on the Round Table, which fall vacant on a rolling basis, is able to do so in June or December by emailing korumburroundtable@gmail.com. We welcome new members, with preference given to those who represent a particular community group.

Follow us on Facebook or search on your smartphone for the 'Korumburra App'. Keep an eye out for our main street being lit up at night all through September, thanks to the Southern Lights Committee.

I hope you enjoy all Korumburra has to offer during Spring.

As we round down to the end of our winter season, we look at one of our life members Kevin Clink.

He couldn't tell me when he started playing darts, but his first trophy was dated 1973.

In his 50 years of playing darts, he has more than 30 doubles, 20 singles, 20 finals wins, and these just for KDDA. He also played in other competitions around Gippsland, filling up his garage and house with awards.

He is always happy to help any player new or old, giving them pointers from how to stand, to the best way to finish the game, and generally encouraging all players.

Our Summer fun competition starts on Monday 11 November with a three week break over Christmas.

Anyone willing to come and give darts a try, contact Rob 0497901372 or Glenn 0417566196.

Are You Passionate About Local Tourism?

South Gippsland Shire Council is encouraging local community members to consider volunteering at its Visitor Information Centres.

The centres play a key role in the promotion of tourism in the region and are often the first point of contact for visitors.

The volunteering opportunities would be perfect for those with a passion for the region, excellent communication and customer service skills and can work as part of a friendly team.

South Gippsland Shire Council's Coordinator Tourism Development Danielle Todaro was hopeful some additional volunteers would come on board.

"Volunteers are at the heart of our Visitor Information Centres and their efforts do not go unnoticed.

"Our volunteers are passionate in what they do and take great pride in giving back to the community and visitors.

"We are seeking Volunteer Tourism Ambassadors particularly in Korumburra and would be proud to have anyone interested to join our team," said Ms Todaro.

Those wanting more information about becoming a Visitor Information Centre volunteer at Korumburra or Foster can contact Melinda McLennan on 5662 9200 or

Korumburra Primary School

Korumburra Primary School now has a facebook page and is sharing the great things that are happening at our school. Log-on and like the page to keep informed on upcoming and the latest events

at KPS. <https://m.facebook.com/Korumburra-Primary-School-2308864219390313/>.

Auditions, run by music teacher Tanya Jackson, are currently underway for 'KPS Has Got Talent'. Students from Prep to Year 6 have the opportunity to try out a variety of performing arts, and if successful will go into the final competition concert on Tuesday 17th September. The Library is hosting a Book Fair from Wednesday 28th August until Monday 9th September. Opening times will be before and after school and during lunchtimes. All welcome. Year 6s head to Korumburra Secondary College for three days transition from 18th to 20th September.

Back to school on Monday 7th October for the final term of 2019. Transition sessions for our 2020 Preps are: 16th October, and then 1st, 11th and 28th November and 10th December. Contact the school for more details on times.

Students who advanced through to the Regional

Athletics will be heading to Newborough on the 15th October. On the 24th October, Year 3's have their Phillip Island Camp. This is a highlight of Year 3, being the first overnight camping experience away from school and possibly the first time away overnight from family. Social interaction, teamwork and independence is encouraged via outdoor activities such as bike riding, giant swing, flying fox and archery.

The Junior Aquatic Program commences on the 1st November and runs until 6th December at the Korumburra Indoor Heated Pool.

Enrolments and school tours can be organised by contacting KPS on 5655 1309, or emailing korumburra.ps@edumail.vic.edu.au

Year 5's on their Melbourne camp

St Joseph's Primary School

Stage three of our building project is progressing along nicely despite the terrible weather. We anticipate

completion by the end of November and look forward to moving in before the end of the year. Children have been participating in weekly dance

lessons with the company

Footsteps and we will be holding a concert on Friday 13th September at 6pm. This will

be held in the Anglican Hall.

In term 3 we are focusing on 'The Mission of Jesus' with all the levels holding an action which

will focus on how we can help others. The F/1/2 classes are collecting bottle tops to assist in the making of prosthetics limbs.

Our 3/4 classes are holding an in-school Disco to raise money for Caritas and the 5/6 classes will be holding a stall of items they have made during class time. The money raised will also be donated to Caritas.

We are looking forward to Bike Ed starting in term 4 for our Grade 5/6 children. This is a very beneficial program which culminates in the Grade 5 children riding to Meeniyah and Grade 6 to Inverloch.

Preparations for our Fete, to be held on Sunday 17th November, are well underway. You can keep up to date with all of the latest information on our St Joseph's Korumburra School Fete facebook page.

Coal Creek Probus

Our club is 16 years young and we have many varied activities: dine-out, book exchange and tours; these are just a few of the interesting things we do. In the past few months we have enjoyed a Port of Sale cruise and a delicious Christmas in July lunch. Coming up we have a trip to Box Hill Town Hall for a high lunch/tea, a trip to the Cardinia Cultural Centre and an outing to the musical "Chicago". Maybe you have

a special interest you would like to share with others? We would like to invite you to come along and see what Probus is all about - enjoying fellowship with like-minded people.

Our meetings are held every 3rd Tuesday of the month, commencing at 10am at the Korumburra Golf Club. See our flyer on page 35 for more information on how to join. You can contact President Helen Taylor on 5655 2785 or Secretary Di Schellekens on 56552504.

Italian Social Club

The Korumburra Italian Social Club, located at 38 Bridge St Korumburra, has been running for 46 years.

Members get together to play

cards and tombola (bingo) twice a week.

New members are always welcome.

We hold meetings every 1st Friday of the month.

The Committee aims to plan events for all of the community to enjoy.

These include our famous homemade "Pizza and Pasta Nights".

Once again we had a successful night on 29th June with "The Rustica Project". The night of was full of aromas and yummy made-in-house Pizza. All the guests got up to dance the traditional Tarantella. If you didn't know the dance you soon caught on as it was a night full of vibrante culture and dance.

Also on sale now are tickets for Australia's Funniest Italian Duo "Pippo and Pasquale." We are excited to have in Korumburra a Live Comedy spectacular with a 2 hour stage show on the 5th October. Get in early as there is limited seating. They have sellout crowds throughout Australia. You can come as one and meet others or arrange a table of 10+. Once again Leongtha Lyric Theatre will be performing "Some Like it Boggs" on Saturday 16th November. Tickets go on sale 5th October.

Our last event for the year will be our Christmas Breakup on Saturday 14th December. This night is free to members, \$30 to non member, \$15 children 5 to 12yrs and free under 5yrs. There is also a special guest visit from Santa. Bookings are required.

Tickets are required for entry and to be paid prior to the event to avoid disappointment. (Tickets are non-refundable).

Our Venues are also available to hire for any occasion.

Coal Creek Spinning Group

Over the last three months we have met every week on Saturdays, Sundays and Mondays at the Coal Creek Community Park and Museum. We have sat by the lovely openfire in the Spinners Cottage meeting visitors and chatting among ourselves while we spin, weave and knit, always getting better each time as we learn from each other. We also have a stall at the monthly Coal Creek Farmers Market and chat to people passing by who are interested in spinning and wool and those who just want to buy something warm that the spinners, weavers and knitters have made. Our Spinners were active at Coal Creek Community Park and Museum events in July and August, Geek Fest and Heritage Craft day. At both of these events we had the pleasure of demonstrating spinning, weaving and other fibre arts to children and their

parents and friends, answering many questions and giving them an experience and precious memories of a non-industrial way of making fibre and clothing. On November 25 we will have another wonderful event. Whether you call it a friendly day, a spin-in or a Sharing Craft Day it will be a celebration of creativity and friendship, centred around wool and other natural fibres and what you can do with them.

Some of the crafts we will have include spinning, the chakra wheel for spinning cotton, knitting, jewellery making, wet felting, needle felting and others. You are invited to bring your own wheel to join in. Morning and afternoon tea will be provided and participants BYO lunch. There is a \$5 entrance fee and there will be a schedule with nominated people to demonstrate their craft at a particular time.

There will be fun, raffles, lucky prizes and opportunity for catch ups with long lost friends as well as a chance to learn a new skill and see what others are up to. Do join us from 10am until 3pm or come whenever you can.

Gippsland... the next frontier?

Is Dairy Heading South?

With extreme challenges to the future of dairying in northern areas, is Gippsland the next frontier? Is dairy heading South or is it a short term phenomenon?

Listen to a panel of people with lived experience of what farming was like in the north, what Gippsland has to offer in the short and longer term and what it means to our region, land prices and dairy farming in general.

Join us to hear from dairy farmers *James Dillon, Luke Zuidema and Daryl Hoey*, local and respected Real Estate agent *Peter Bellingham*, Professor *Rob Faggian* and local Rabobank Rural Manager *Tracy Hollingworth*.

Bena Hall

Renovations to our restrooms are in progress with anticipated completion late September. This will bring these facilities up to a similar high standard that the Hall provides in all other regards.

The recent Café Culture concert by hippie group "Canyon" was a great success. They performed nostalgic numbers celebrating the 50th anniversary of Woodstock with brilliant vocals and instrumentals. Many attendees dressed up as hippies for the night although it was apparent that a few; claiming to be in fancy dress; actually wore the same clothes they have continued wearing for the past 50 years. Protestations on the confiscation of prohibited substances by door staff upon entry were minimal.

Bena Hall successfully hosted its first ever sold-out Christmas in July dinner which was enjoyed by all. The Hall was brilliantly decorated with all the Christmas trimmings by Maureen Benson and her daughter Shelley. A delicious three course dinner had a main course supplied by caterers, and soups and sweets supplied by the Committee.

Our next concert will be a return by popular demand of pianist Jan Preston. This show was a sell out last year and she will present, all on stage this year, a different show of boogie woogie style by various artists such as Liberace, Jerry Lee Lewis, Winifred Atwell and others. Bookings have already been received, so get in quick so as not to be disappointed. See page 29 for more information on this event.

On November 16th, Bena Hall will host a Mini Garden Expo. Still in the planning, many garden related items both in and around the Hall sure to be of interest to families and garden lovers alike.

Korumburra Secondary College

Term 3 and 4 are always a busy time at KSC. We commenced the term with our Student 360's- a chance for mentor teachers and students to review students' learning and learner behaviours, and to set some goals for Term 3. Our Year 11 cohort participated in this valuable experience for the first time; combining their afternoon with a roll on the Korumburra Lawn Bowls greens. A big thanks is extended to them for their generosity.

Our Like Minds students are participating in a number of community projects. You will soon see their work in a Social Media campaign by Gippsland Southern Health Service, aimed at decreasing boys' intake of sugar sweetened beverages.

Our school production this year, written and scored by our talented staff, Ms Liesl Reymers and Ms Rosie Handley is 'The Seven'. This is a steampunk adventure through space to save the galaxy from war. Our students have been working hard to learn their lines, songs and dance moves. The show is accompanied by the KSC concert band, with performances scheduled on the 5th of 6th of September. Ticketing information is available on the school website.

Our student environment group is a new initiative this year. They are working hard to increase biodiversity on our expansive school grounds and have plans to create a 'frog bog' to attract native frogs to our school creek.

This is being accompanied by the preparation and installation of nesting boxes for local birds

Claire , Kasey , Amber , Alana , Maddi , Ashlynn and Jacqueline from the Year 7/8 Like Minds Program

and some 'bee hotels' to attract native bees to our school site. Works will begin soon. If you have any expertise or labour you could offer to establish this native habitat,

please contact the school office.

In the coming weeks, our Year 10s will head out to Falls Creek for ski camp, while our Year 9s hit the coast for Sailing Camp. Our awesome Year 7

Alex Daniel and Evan are part of the Student Environment Group, and are responsible for the installation of bird boxes on the school grounds

Community

Projects class has scheduled a fundraiser for homelessness and have volunteered to sleep out in the Gym to raise money. Our Year 9 to 12 students have had the opportunity to complete their First Aid certificates. All of this is balanced with all important course selections, and looming exams for our senior cohort.

The Rose Spectacular – November 8th & 9th

The sight and scent of hundreds of roses will welcome visitors and exhibitors to the 48th Annual Leongatha Rose Spectacular. To be held on Friday 8th November from 12 noon to 5pm, and Saturday 10th November from 9am to 4pm, the Show promises a great opportunity to view the myriad varieties of roses and to chat to exhibitors and experts alike on all aspects of the rose.

The Feature Rose for 2019 is the RSL Rose. A gorgeous specimen, the flowers are in burgundy and amber, and are borne on long stems with glossy deep green foliage. The RSL Rose was chosen this year in recognition of the centenary of the end of World War 1, and as a tribute to the work and support of the RSL towards returned defence personnel.

Besides the large cut flower section, there also promises to be

children's activities, plant stall and posies for sale, as well as the Red Cross ladies

servicing their signature delicious morning and afternoon teas and lunch.

The Leongatha Horticultural Society is proud to present the Rose Spectacular this year, particularly as it comes at the conclusion of the All Things Rose project. This community based project, a joint collaboration between the Hort. Society and the Leongatha Community House, has been running throughout the year, and has stimulated interest among experts and novices alike in many aspects of the rose including horticulture and the arts.

Leongatha, and in particular the Horticultural Society, warmly welcome all visitors to the Rose Spectacular at the Memorial Hall in Leongatha. A delightful day out in beautiful surroundings, a chance to view and note outstanding roses and a chance to appreciate the verdant scenery of amazing South Gippsland awaits you. Admission is \$5 with children free. Refreshments will be supplied by the Red Cross, with children's activities, a plant stall and posies. www.leongathahorticulturalsociety.com.au

Koringal Womens Service Club

The members of Koringal Womens Service Club are a group of women who raise money to donate to worthy causes in the community. We have been catering and waitressing and washing dishes, and have already donated a significant amount this year. Hopefully in the coming months we will be able to distribute more funds to various clubs, schools, organizations and individuals. During the winter months we have held meetings during the day as well as some night meetings. We have been welcomed at one member's home for a lovely afternoon tea, and another for a fabulous lunch. We have attended various Service Club Changeover Dinners, supported the Food Bank at Milpara, participated in Meals on Wheels, and generally supported and encouraged

many local organizations. One of our much appreciated recent donations was \$1000 to the Korumburra Secondary College to assist with the setting up of the Drama Production. In the next three months, among other activities, we will be filling Samaritans Purse Christmas Boxes with goodies to send to children in developing countries. We will also assist with the fundraising afternoon tea at Carinya Lodge and take on catering duties when we are required. If you would like to join our group or are just looking for something rewarding to do, ring a member or come along and you will be warmly welcomed. We meet on the last Tuesday of the month. Please contact President Chris Grigg: 0418971 551, or Secretary Sue Van Sinderen: 0401 039 824.

Korumburra Baptist Church

Man Does Not Live by Bread Alone.

Sometimes the words we speak can be like an archeological dig that takes us to forgotten places! For

example:

I'm afraid 'the writing's on the wall.'

It's been a 'baptism of fire'.

He 'fought the good fight'.

The 'thorn in the flesh' exposed my 'feet of clay'.

I escaped by 'the skin of my teeth'.

The 'tender mercies' of 'a good Samaritan' helped me through.

Her help was like 'manna from heaven'.

All I can say is 'a tree shall be known by its fruit'.

These and many more sayings come to us from the pages of the Bible. It is surprising how influenced we are by those words and the

concepts they carry.

Did you know the Bible is actually a library of 66 books written by 40 different authors over a period of around 1600 years? There is history, poetry and some great stories.

Why not grab a Bible and have a read. (If you haven't got one on your shelves, they are available at bookstores, newsagents, churches or Op shops.) A good place to start reading might be the gospel of Mark. Just look up the index.

Reading the Bible is like food for the soul. As Jesus said, "Man does not live by bread alone but by every word that comes from the mouth of God". (Matthew 4:4)

Grow Lightly Food Hub

Grow Lightly is interested in building a resilient local community, among other things, and this is what has been happening at the Grow Lightly Hub in the last

three months. Since moving our retail operations to the main street in Korumburra, the Hub building has provided the opportunity for an increased range of local community events. For several years we have had workshops and events at the Hub and these have continued and increased in number. This year we have had a range of cooking classes for adults and children, for beginners and experienced cooks. We have made curries and casseroles, cheeses and sourdough bread and these will continue.

Preserving the harvest is also a great interest of Grow Lightly as a way of preventing food waste and value adding to our delicious local produce. So we have made tomato passata, and other sauces, jams and relishes and chutneys and these Grow Lightly branded products are for sale in the Grow Lightly Green Grocer alongside our other valued brands.

Grow Lightly has hosted a monthly book club at the Hub for over a year now and those lucky enough to participate are impressed with what they have learned over the time. Each month the members (there are still places available) bring a favourite book on farming, food, gardening, sustainability, environment, or anything really, to share briefly why they enjoyed it, what they learned and how it has impacted aspects of their life. There is no pressure to speak and participants are welcome to just come to listen. The book club is always on the first Tuesday of the month, every month. It is friendly and informal and if you come you will leave nourished and inspired. Of course we are not limited to books and we often share the names of films, podcasts and newspaper articles that have caught our imagination.

Just lately we at Grow Lightly have been inspired by the bring your own reusable bag movement, Boomerang Bags. We have heard Kylie McMurray speak about her passion in making Boomerang Bags into an international

effort. Recently we had our first sewing bee and will continue

to hold them fortnightly at the Hub. Boomerang Bags is a not-for-profit organisation tackling plastic bag pollution at the grass roots level. Volunteers get together to make re-usable bags using recycled materials as a means to provide a sustainable alternative to single use plastic bags which often also inspires conversations with others about sustainability. And after all you have to pack your local fruit and vegies into something. When we have made a few bags they will be available for sale at the Grow Lightly Green Grocer and possibly other shops around town. Look out for them. All profits go back to Boomerang Bags Korumburra.

Did you see the film 2040 when it was on in Leongatha? Or maybe you saw it somewhere else? Or perhaps just heard about it. This film has inspired a community conversation among some of us and we invited people to get together to speak about grass roots actions on climate change. There will be more about this in the future as well.

And last but not least, the Hub now has a book exchange. Do you have books that no longer have a place on your shelves? Are you interested in reading a book and then NOT keeping it in your house? We have a place for them. Come to any activity in the Grow Lightly Hub and look over our shelves to see if something catches your eye. And drop off any books you no longer need to give them a new life with someone else. Grow Lightly builds communities as you can see from the wonderful business the Green Grocer has become in less than a year and the burgeoning communities that surround it. The Grow Lightly Hub is just one part of this. Look out for news of activities at the Hub and join us if you can. The Grow Lightly Hub is on Silkstone Rd, Korumburra, near the playground at Coal Creek carpark.

Grow Lightly Winter Events

All events are at the Grow Lightly Hub, Siltstone Rd, Korumburra (near the playground in Coal Creek carpark). Bookings not required except when specified.

Mushroom Workshop with Shane from Natura Mushrooms

Saturday September, pm-4pm

Join Shane from Natura Mushrooms as he teaches you how to grow gourmet mushrooms at home using easy to source materials and low-tech methods. The class includes making your own oyster mushroom grow bag to take home, teaching notes and a delicious afternoon tea. Cost \$70. Bookings via eventbrite or in the shop.

Cheesemaking workshop with Christine Millane

Saturday October 5th 12pm to 5pm

Learn to make delicious feta, cream cheese and ricotta from fresh local milk. There is nothing as tasty or as satisfying as making your own cheese. It is also not as hard as you think! Cost \$85, includes afternoon tea and cheese, moulds and notes to take home. Book in the shop or by contacting Christine by email: chrismill678@gmail.com

Sourdough breadmaking workshop with Christine Millane

Saturday October 19th 11am to 2pm

You will learn how to make delicious homemade sourdough bread in this hands on workshop. You will take home your own loaf, at the point of allowing it to have its final rise, then bake at home. Each participant will also be given a handout/instructions sheet, and a starter of their own for future bakes. You will also be provided with a yummy lunch of sourdough bread and soup, and probably other homemade goodies such as cheese and muffins. Cost \$60. Book in the shop or by contacting Christine by email: chrismill678@gmail.com

Boomerang Bags

Thursday September 5th 12pm-4pm and Tuesday September 17th 10am to 2pm

Thursday October 3rd 12pm to 4pm and Tuesday October 15th from 10am to 2pm

Thursday November 7th 12pm to 4pm and Tuesday November 9th 10am to 2pm

Boomerang Bags is a not-for-profit organisation tackling plastic bag pollution at the grass roots level. Volunteers get together to make re-usable bags using recycled materials as a means to provide a sustainable alternative to single use plastic bags. We would love your help! Volunteers are needed to help with cutting materials, pinning, ironing and sewing. All ages welcome and no experience required.

Citizens Advice Bureau TAX HELP

The South Gippsland Citizens Advice Bureau in Leongatha can help wage earners with their tax returns. The service is free and confidential, and approved by the Australian

Tax Office.

Tax Help runs on Tuesdays until the end of October.

"This year we will again be using tax time to encourage our clients to use myGov," said Nicholas Peck, the Bureau's Tax Help coordinator.

"We will assist clients to lodge their return, but it doesn't matter if they're confused about lodging electronically; we will help them regardless."

"Lodging is better than putting it off; it just gets more difficult later."

To make an appointment, just ring the Bureau on 56622111 to arrange a time, or you can drop in and arrange it in person.

The South Gippsland Citizens Advice Bureau is located opposite the post office in the Memorial Hall complex, Michael Place, Leongatha; you can call 56622111 from Monday to Friday, 10am to 4pm.

Jumbunna Bush Market

The Jumbunna Bush Market has been running for over thirty years on the first Sunday of the month in the hall on Cruickshank Road, Jumbunna. Those involved have been selling their products at the Farmers Market in Korumburra with all proceeds going towards running of the hall and restoration of the building.

Come and join us for a cuppa and luscious cakes made by the ladies at our bush market. Perhaps you would like to have a stall inside the hall away from the elements. The cost is only \$6 for a stall. We were most pleased to be successful with the Shire grant which will enable the development of a strategic plan to assist with the restoration plans. A survey of Jumbunna residents will be

conducted to learn what the public would like to see for their hall as well as what activities they would like to see in the hall. A function is planned later in the year to celebrate the hall's 125 years. There is a possibility that another historical walk will be carried out in November. For more information contact Dawn on 565732563.

The hall is available for hiring by the general public. The Shire, through their Halls Network are working with us and providing ideas for the future. Thank you to Barbara Look, the Community Engagement Officer at the Shire, for her assistance.

For details regarding the Hall or the market contact Brian on 56573261, Peter Walker on 56573319 or Dawn on 56573253.
