

Community Feedback...

The Importance of Feeling Connected

Ideas with an * have strong community support

Greater integration between existing community groups business and organisations: something to unite them

*** Facilities for Youth: including games, seating, and a place to hang out with friends**

More community events in our public spaces to bring the people together

*** A community garden**

Amphitheatre for outside concerts, music, performances

*** Intergenerational initiatives to bond older and younger community members**

Networking hubs linking groups together - finding common themes: arts focus

Supporting each other individually and via community (finding connection – a way to connect everybody)

Community awareness to be involved in Korumburra planning & decision making

Develop community projects panels on Men's shed and Coal Creek

Tables and seating in the Community Hub grounds

*** A way to show all the community activities and volunteer opportunities in the town**

Better co-ordination of the wonderful work community groups already do
