Learning That Lasts a Lifetime
Editors’ Note

Hannibal Smith (The A-Team) used to say “I love it when a plan comes together” and so do we at KCDA. Through the co-operative efforts of the Shire (especially Shire Property Officer David Roche), Korumburra Shire Councillor Lorraine Brunt, and the KCDA a facility that “went missing” for a couple of years will be returned to community use. The former Access Centre will be available for non-profit groups as a meeting space. (see page 4) “Nice!” Don & Gail Patterson

Although a lot of people think that bowls closes down over the winter months this is not the case with the Korumburra Bowling Club. The Club is located in Charles Street, opposite the Show Grounds.

We have mixed Social Bowls every Thursday and Saturday afternoons commencing at 12.30pm. Names to be in by 12 noon. Just ring the Club on 5655 1246.

There is also social cards on Wednesdays at 1pm. Games played include Phase 10 and 500. All most welcome - ladies and gents - Cost $2.00.

There are Counter Teas on the second Friday of each month at a cost of $15.00 for a two course meal. All are welcome. Names to be in by the Thursday for catering purposes.

Enquiries for any of these activities can be directed to the Club or Vera Sund on 5655 2434.

Membership fees for the Club are $160.00 for full membership with Junior and Social memberships also available.

Korumburra Community Development & Action Inc - KCDA - (publisher of the Burra Flyer) is negotiating with the Shire with a view to making the former Access Centre available as a meeting room. All being well, the room will shortly be returned to the community for non-profit groups and organisations to use without charge. The building is in Radovick Street, round the corner from Auddino’s First National Real Estate.

Originally a comfort station, the facility was for many years an Access Centre, providing a quiet space and information kiosk near the centre of Korumburra. However it has been unoccupied for the last two years.

When it is all set up, KCDA envisages a meeting room able to comfortably accommodate groups of 20 to 25 people. Tea and coffee-making facilities will be available.

KCDA (which meets at 7.30pm on the second Tuesday of the month – all welcome) has sometimes had difficulty finding a meeting space. Other groups have expressed similar frustrations and we hope the new Community Meeting Room will alleviate this problem.

If your group is interested in using this new Korumburra Community Meeting Room please send an email to the Secretary of KCDA, keda@korumburracommunity.org.au

Special thanks to Councillor Lorraine Brunt for facilitating this venture between KCDA and the Shire.

New Purpose for Old Access Centre

The enrolment period for funded four-year-old kindergarten in 2018 is now open. If you have a child who will be ready for kindergarten next year you can sign them up via the centralised enrolment process.

Centralised enrolment was introduced last year to help minimise the administrative burden on service providers and to streamline the placement process for parents.

Kindergarten enrolments can be completed online at www.southgippsland.vic.gov.au/centralenrolment. Hard copy enrolment forms can be collected from Council, local libraries and Maternal and Child Health Centres.

The enrolment period for 2018 four-year-old funded kindergarten closes on 30 June, 2017.

As we move into the cooler months we plan to have a program that should prove to be enjoyable, interesting and revealing, and draw on the skills and memories of our members. Our meetings will take place on Thursday 1st June, Thursday 6th July and Thursday 3rd August, all at 8.00 pm at the rooms in King Street.

JUNE: Bring a photo of your grandparents, or a grandparent. We’ll display these and see who, or if, there are any that can be identified by other members. Members will then share a story of the life of their grandparents or grandparent. 

JULY: Drawing on Jillian Durance's talk at our December meeting for inspiration we hope to have members bring something of local or family history which they can set in historical context.

AUGUST: Bob Newton will probably have his book on road names in print by this time, and if not available for sale, he will be at a point where he will have stories to tell about the book. We'll look forward to hearing some of these stories at this meeting.

Several of our members joined a history tour of Korumburra, Jumbunna and Outtrim areas on 6th and 7th May. This was led by Barry Sykes, a former member of the society who grew up in the area. The focus was on the mining of coal that was so central to the development of these areas. We have a rich history, and the society has a wealth of information in its archives. So much to share.

We would be thrilled to welcome new members to the society; you can join in at our meetings or contact our secretary for more information. Janet Wilson, Secretary. Ph. 5657 2267.

The Station at Korumburra

Victrack are offering $1.5 million to restore significant railway buildings, so "The Station @ Korumburra Working Group" is hard at work, sometimes meeting weekly to work through our proposal, business plan and nomination forms in order to offer our best application to Victrack.

We are required to maintain and stay true to the heritage status of the 1907 Queen Anne style building but we are still conscious of making it functional, energy efficient and sustainable in the 21st century for our community to use as a multi function - multi purpose venue. We are also very mindful as we go through this process that the Station must not compete, but should complement Korumburra businesses. We are also in the process of becoming an incorporated management group to further support our commitment to The Station @ Korumburra and our purpose will be...

"To develop future planning to manage and operate the heritage railway station as a community & cultural arts space for the benefit of the Korumburra community and district".
The Winter garden can show some lovely sights. Around about now the early wattles are starting to flower as well as such gems as hellebores, azaleas and camellias. We have an abelia that has flowered for ages. Caring for it consists just in cutting it back to about waist height whenever I think it is getting too large. That can apply as a general rule for many shrubs. As home gardeners we mainly want to create the scenery that pleases us, but not necessarily the plants themselves. All the same, most of them will put on nice bushy compact growth after pruning.

Winter can be a busy time for planting. In the vegetable garden there is still time to plant broad beans, garlic, leeks, onions, cabbages and parsnips. Although native trees and shrubs are best planted in Autumn so they can get established ready to leap ahead in Spring, it's not too late yet.

Winter pruning can bring marvellous benefits. Plants like nemesis, penstemons, hydrangeas, achilleas and dahlias can be cut almost to ground level to stimulate next season’s growth.

Korumburra Men's Shed

Yes, there's a change of name in the works. The men at the Shed have decided that to make it easier for people outside the district they'll call their Shed, the Korumburra Men's Shed instead of Milpara Men's Shed. Makes sense doesn't it.

Milpara Community House auspiced the Men's Shed and it is a very well attended Shed, especially in their current location at the Goods Shed (behind the Post Office). The Goods Shed is much bigger than the Joinery building at Coal Creek and access is so much easier with parking right outside the building.

The Men's Shed is open from 9.30 am to 1 pm on Tuesdays and Wednesdays. The cost to attend is $4 per day. If you'd like to call in to say hello during these times, have a look around, have a cuppa and a chat, I'm sure the blokes would like to tell you all about what they do.

Men's Sheds offer something different for the men who attend. If you looked inside on a typical day you might see between 10 – 15 men making furniture, working on their own projects or making craft items for display or for gifts. Some days you might see a few young men working with the older men obtaining new skills and learning something about life from the men they are working alongside. You will see tea-bags, coffee cups and a comfortable area where men can sit and talk.

While it is not a main activity of the Men's Shed, the blokes occasionally get called upon to lend a hand. Two places who have received assistance are Carinya Lodge and also at Milpara with the Children's Garden Project.

The success of a Men's Shed is not measured in the output of things made but by the fact that men keep coming back to enjoy the company of other men in an environment that they are comfortable with.

Korumburra Probus Club
Korumburra Probus Club has had a most successful year with several new members and much entertainment. A life membership was presented to Doug Boston by past president Noel Walker who spoke extensively of the numerous parts Doug and his wife Dorothy have played in creating a most successful club and still do.

Members recently received their 20 year certificates from the club. It was pleasing to have two new committee members come onboard at our 25th annual meeting in March.

Our guest speakers have been most interesting and very informative, speaking on the dairy industry, a police sergeant, an event manager, a compass making business and Freeing the Bears overseas. Several movies have also been enjoyed at Leongatha followed by a cuppa and chat.

Our day bus trips are many, going to the Drum Theatre in Dandenong and a mystery trip to Phillip Island. We toured the race track, the Vietnam war museum, then on to the Chocolate Factory.

We are looking forward to the Drum Theatre, High Tea at TAFE Leongatha and Christmas in July at Mornington.

The get away group spent several days at Port Fairy exploring the district. Several other trips are planned for this coming year.

New folk are most welcome to come and join us.

Our meetings are held at the Korumburra Show Grounds Amenities Complex on the second Monday every month, starting at 9.45 am. We break for morning tea at 10.30, guest speaker at 11, finishing at 12 midday, then on to lunch at a local venue.

For further information feel free to call Secretary Marg Brown 5658 1957 or President Tricia McCraw 5655 2909.
We would like to thank all those who donated to Red Cross Calling in March. We raised $1420 as a result.

There is not much ‘snail mail’ any more but we still collect stamps from those letters that are delivered. If you have any stamps, by emailing korumburraredcross@gmail.com we will arrange for them to be collected.

We have been asked for small Trauma Teddies for children in war zones. These are knitted toys that are given to children in situations from fires, accidents and stressful situations both here and overseas. If anyone can help with knitting them in 8 ply wool, please contact the above email address or ring 5655 2691 for the instructions.

Our meetings are at the Senior Citizens Centre on the first Monday of the month at 11.00 am and we would welcome new members.

The Korumburra Town App continues reaching out to the community with over 900 people now having it downloaded on their smart device.

The App has all the information you need to know about the town from where to find a Justice of the Peace, attractions, venues for hire plus lots, lots more. The ‘What's On’ section is very popular with a running calendar of events, courses, social outings plus much more, complete with all the information you'll need to know about that event.

If you find you have a little red number sitting in the corner of the App Icon and are not sure what it is - go to the section 'Your messages' and you will find a little reminder message about an event happening in Korumburra. These are known as push notifications.

To have an event included, business added or maybe you just want to give some feedback, please use the 'Contact Us' section.

If you aren't yet using the App you can download it onto your smart device from the Apple Store for iPhones or Google Play store for Android products.

A new stamp club in Korumburra will meet on the third Thursday of the Month at the R.S.L. Hall. Join us at 7.30 pm on June 15th, July 20th and August 17th.

Anderson’s Inlet Stamp club meets on the second Wednesday of the month at the Uniting Church in Inverloch. Come along at 7.30 pm on June 14th, July 12th and August 9th.

Another club is starting up in Leongatha at the Community house in Bruce Street down from Aldi. This club will meet on the fourth Monday of the month starting at 1 pm. The dates over winter are June 26th, July 24th and August 21st.

The Corner Inlet Stamp club is not meeting in the near future.

Anyone interested in stamps and stamp collecting is most welcome. For more information please call Peter on 5655 2521.
The Korumburra Croquet Club held a very successful Golf Croquet Singles Tournament in March. The many entries came from Wonthaggi, Phillip Island, Maffra, Morwell, Sale & Village Glen (Rosebud).

The winner of Section 1 was Ray Ball of Phillip Island, with Gerrit Kool of Wonthaggi as runner-up. The winner of Section 2 was Robert Smallwood of Morwell, with Virginia Wheeler of Wonthaggi as runner-up.

To develop your skills in using a computer, we continue to offer classes from beginner to the more advanced and for those needing to improve or add to their skills for work purposes, we have classes we can tailor to your requirements – just ask us. We also offer English and Maths, all ages all stages for those interested in improving their skills in this area. Who know where it will lead? This year set yourself a challenge, step outside your comfort zone and try something you haven't done yet. It’s the things we don't do that we end up regretting.

Don’t forget – let us know what courses you’d like to try or have offered through the House and we’ll see what we can do. If you don’t tell us, we can’t make it happen.

During the term, we offer an afternoon tea to welcome Newcomers to the area and these have been very successful and well attended. If you'd like to join us, the next Afternoon Tea is on Tuesday 1 August at 2pm.

Stay warm, the coming winter will be chilly.

Korumburra CWA

We began the year with a very busy time, hosting the Group Conference in February, quite a task. We are a small branch of only 8 members & recently we lost one who has moved to the city. We are proud of our members who recently all exhibited and received a prize at the Handicraft and Home Industries Exhibition held at Mirboo North.

We are needing to acquire some new members, some clever ladies to join us. We attend some great functions within the group. With our fund raising we support local and needy causes. Meetings are held at Milpara House on the 4th Friday of the month at 1.30 pm.

Men’s Shed Hospital Community Garden (see article opposite)
The Korumburra Playgroup meets at Milpara Community House, 21 Shellcot Road, Korumburra every Friday from 10 am to 11.30 am during school terms. Mums, dads, grandparents or carers with pre-school children are most welcome.

Playgroup is a great socialising activity for both children and adults. The cooler weather is coming on though we still have some lovely sunshine and the outdoor play area and Children's Garden on Friday mornings are a lovely space.

We have puzzles, toys and activities to keep children from 0 to 5 entertained and also have a safe playground with lots of outdoor toys and ride-ons as well as a sandpit and swings.

It costs just $20 per year to be a member and $4 per week plus a piece of fruit for morning tea.

We'd like to offer more opportunities for Mums and Bubs at the House and also introduce a time slot of musical activities and games for the little ones. If you have some ideas or interest in being involved please come and have a chat. This playgroup is a 'parent run' group so this session can be delivered to suit the parents and children attending. It's fun, it's noisy, it's warm and dry but most of all we have some lovely people attending. Come and join us.

For further information contact Jenni or Belinda at Milpara Community House on 5655 2524.

You may have noticed the food garden when visiting Korumburra hospital. This is the Korumburra Men's Shed Hospital Garden.

In 2002, a group of volunteers, guys and gals, began by redesigning waste ground and establishing a sitting area for visitors and patients. When this was completed, attention was turned to the veggie area. There was a very good basis for food gardening with the existing eleven raised beds and the group proceeded to plant and enhance the garden with the aim of providing food in response to needs in the community and provide a restful recreation space for hospital visitors and patients.

This area has become well established and there are a number of 'rooms'. The sitting area is divided from the vegetable area with a low fence supporting a pomegranate hedge and plants such as crepe myrtles for future shade were planted. A quirky but practical shed was built, including a red pallet trellis, using recycled materials where possible. A bank of four compost bins was also constructed from pallets.

This garden has a glasshouse and all of our seedlings from donated seeds have been propagated here. We now have very productive crops - for example, tomatoes, corn and broccoli.

The group raises funds to maintain the garden by selling some produce to Grow Lightly and hospital staff.

We hope to add a teaching component in the future so keep a watch out in the Term Program from Milpara Community House. We'd like to encourage and educate participants in the enjoyment, knowledge and simplicity of producing your own healthy food with little outlay.

The volunteers meet each Thursday morning to work in the garden so if you have an interest, or would like to know how you can get started yourself, please call in. For more information please call 5655 2524.

Mr. J.N.D. (Jim) Wilson, whose journalistic career in Korumburra spanned almost fifty years, wrote some reminiscences of early days in Korumburra (originally printed in the Korumburra Times in May, 1955). They are reprinted here courtesy of the Korumburra Historical Society.

Mr. Editor, you mentioned in your letter that you were running a page for these stories. I think I will want the whole issue as I have not said anything about the mud yet.

Well here goes – the underfoot conditions were terrific. You cannot imagine what they were like in some places, especially in Mine road – a sea of mud in winter time, and that period was for about nine months of the year, as light rain used to hang about the tall timber which used to abound quite close to the township. It was only with difficulty that you could cross between the intersections, and where the crossings were, they were only three stones (pitchers) wide. It was like the proverbial saying “Brown’s cows” as two could not walk abreast. If one happened to slip off, down one would go into the mud. There were no rubber boots then and men wore leggings or a bit of hessian tied round the bottom of their pants. It was a great time for the women with long dresses. The footpaths that were made were limited to a few streets, and top dressed with gravel until the old coal dumps, which were then burning, produced red stones. Readers, can you imagine that such conditions prevailed in Korumburra, when you look at it today.

The Coalfields

There was a big strike in the coal fields, following the railway strike, about that time. The Outtrim, Howitt, Jumbunna and Korumburra Coal Creek all closed down and disposed of the machinery. The coal in those centres was afterwards worked by small parties and the only big shows to develop were the Austral and Sunbeam collieries. Several attempts were made to re-open Jumbunna and Outtrim after they closed in 1904; but when Wonthaggi opened up, practically all the district miners went there, and many from Outtrim moved their houses too. At the close of the coal period the dairying industry was in the early stages of development, and as the years advanced the town was more or less supported by the farmers. It proved to be more stable, as is shown today.

The conditions for them in the early years of the district were something terrific and the pioneers, their wives and families had to suffer untold difficulties to survive. There were no roads other than tracks to many of the farms, and the only conveyance that could be used was the sledge. Farmers were practically isolated in the winter time, and the cow yards were knee deep in mud. Even in the great struggle for supremacy after the fires, many farmers were thinking of abandoning Gippsland, and some in the hill country did, owing to the bad state of the roads. But the coming of the Roads Board saved the situation, and it was responsible for the splendid province that you have in Gippsland today, which is an outstanding memorial to the Board’s work. It is most interesting to those who spent the early years in the district to look back and see the tremendous advancement that has taken place over the years, and only those who knew of it can realise what has taken place.

Big Hearted Pioneers

I have a wonderful admiration for those pioneers, and feel that something should be done to conserve the history of their struggles in the wilds of the bush.

One has only to look around to realise the beautiful district that has been won by their toil and sufferings and the wonderful province they have given to those who enjoy and profit by it all. Time was all too short for many of the pioneers to enjoy the fruit of their labours, but it can be said that they had great foresight and realised that some day their labours would bear fruit which they have surely done, and their unselfishness in doing something, knowing it to be for the benefit of those who would come after them, is to be commended.

I for one, Mr. Editor, greatly appreciate the opportunity you have given me to sound the praises of the pioneers of Gippsland, and hope that the memories of the men and women who did such a yeoman job, will live long in the minds of the generations to come.

Ten Rotarians from our club travelled to Hobart to attend the Annual District Conference in March. There was a range of interesting and informative presentations and inspirational speakers. John and Jeanette Shandley, Peter and Dianne Biggins and Rotary exchange student, Lola Vosa, participated in the Ride to Conference which involved covering some 500 kms in and around the very hilly terrain of Hobart. (see photo opposite)

Our club raised $6500 through their efforts which will be distributed to:
- Gippsland Centenary House
- Life Education, and
- Disaster Aid Australia.

Special thanks to the Rotary Club of Foster for their donation of $1500 to support our ride.

Other recent donations made by our club include:
- Korumburra Soccer Club, $985
- Cure for Motor Neurone, $500
- Rotary Medical Aid for Pacific Island Children, $1000
- Transport of educational materials to Timor Leste, $1500

Our club is very pleased to welcome two new members in Helen Comer and Rod Packham.

The Rotary Changeover Dinner will take place on June 20. Peter Biggins, who has done a wonderful job, has agreed to continue as president for the coming year. President Elect Cindy Nicholas will become president in June 2018.

A major part of our fundraising in recent times has been through catering at important local events with the club food van and cool room. These excellent facilities are available for hire at a most reasonable cost. Contact George Auddino on 0413 311 942 for further details.

Sadly our current exchange student Lola Vos will return home to Belgium on June 24. Lola is a delightful young lady who has made a most positive contribution to our club and local community. Special thanks to those families who have hosted Lola (Rick & Shirley Arestia, Rod & Mardi Abbott, Steve & Robyn Kenny and Bruce & Anita Roberts) and to Mardi Abbott for her excellent work in leading the youth exchange program over the past eight years.

**South Gippsland Concert Band**

With the Winter months ahead we have a completely new repertoire to challenge us. We will be visiting our friends at Rose Lodge in Wonthaggi, and Carinya, Hillside and Alchera in Korumburra in the next few weeks. The residents in the Nursing Homes enjoy these events as much as we do.

Are you new to the area, or returning to music after a break? SGCB would love to welcome you to our friendly group. We rehearse on Monday evenings during school terms at Coal Creek Historical Park and Museum in Korumburra from 7.30pm till 9.30pm, followed by supper.

Enquiries to Em on 5655 1767 or email adm@sgconband.net

Do you have an event coming up in the near future and would like to feature live music as a component? SGCB has a wide range of music in various genres as part of our repertoire and would welcome the opportunity to discuss your ideas with you. Please contact Manager Em on 5655 1767 or email adm@sgconband.net

That is the question. TIPS stands for Training Information Pathways Service but really, what is that?

“Career”, no matter what your age, can be a scary word. As children, we are asked “what do you want to do when you grow up?” I remember thinking, there are so many choices, how do you choose just one and I’m not sure what’s involved either. As an adult, you’d think we’d know the answers but do we? I still often ponder those questions. I doubt I am alone and that is why I really love TIPS and why it was developed.

There are so many choices and so many directions. Choosing the area of employment and then working out how to get there can be confusing. There are so many websites, so many training options and different course choices. It can be overwhelming, scary and hard to navigate.

That is where TIPS at Milpara can help. It is free to use and open to anyone who would like to use it. The idea is to help people find their direction; consider us as signposts. TIPS staff cannot give career advice but we can provide access to information and resources and show you how to use them.

We can provide career-planning tools. We can refer you to appropriate services and training opportunities. We can make the process less scary and overwhelming and help you identify the steps to achieve your goals.

In conclusion, TIPS helps you explore training, employment and learning options. No fuss, no stress and it’s FREE. It can be easily accessed at Milpara Community House at 21 Shellcot Road, Korumburra.

Really, what do you have to lose? Bookings are essential so please give us a call and book your appointment with me, Belinda on 5655 2524.

Koringal Women’s Service Club

The members of Koringal Women’s Service Club have been working hard to raise money to donate to worthy causes in the community. We have been catering and waitressing and washing dishes and have already donated a significant amount this year.

We gave the Korumburra CFA a donation of $1000 in memory of our long time member Maureen Rodda in their support of Relay-For-Life, and the Ambulance Service has benefitted from a donation for some GPS navigation systems. For Carinya Lodge Homes we have purchased sensor mats and syringe drivers, which will make life considerably easier for the residents and the staff.

We joined with other service groups and displayed our banner at the town entrance, hopefully raising awareness of our club in Korumburra and encouraging people to find out more about us. We have held some interesting meetings and had a movie day out recently. We hope to have more guest speakers during the year and hold some day meetings during the winter months.

If you are looking for something rewarding to do, come along on the last Tuesday of the month and join our friendly group and you will be warmly welcomed. Please contact President Bev Hall: 0408 595460 or Sue Van Sinderen: 0401 039824.

Koringal members Helen Pearce and Nancy Brown ready to present one of their donations.
The soccer season is now in full swing, but it’s not too late to join the Korumburra City Soccer Club family. All new members are very welcome. We’d particularly like to hear from secondary school aged players. With fees dropped this season for juniors there has never been a better time to try soccer. Registration enquiries please call Belinda 0432 960 587.

The season warmed up with the Korumburra Cup. Once again it was a success, with clubs from across the southern division converging at Korumburra for a two day round robin style event. On Day 1 the junior Under 14s and Under 16’s played some excellent soccer. Day 2 the adults battled it out showing great promise of an exciting season to come. If you missed the cup but would like to come down and see some soccer in action you are very welcome to spectacle. There is no gate charge and the canteen is open. Our upcoming home games at Korumburra Recreation Reserve are 25th June, 30th July, 20th August and the last round before finals will be 3rd September.

The Club is very excited to be working with the shire and recreation committee towards applying for additional grant money to renovate the change room facilities. These facilities will be fantastic for Korumbrurra and the reserve users. Females make up almost 40% of our currently players so more flexible facilities accommodating all players are very welcome. We look forward to keeping you updated.

For more information about Korumburra City Soccer Club email korumbruracitysc.secretary@outlook.com

The Korumburra Lions Club held their 50th Birthday celebrations at the Korumburra Golf Club on Saturday 22nd April. Lions have been servicing the community since 1967. Around 70 people watched a presentation which was put together by students from Korumburra Secondary College. Our club would like to thank teacher Leisl Reymers for helping to facilitate this special presentation. Also we would like to thank the Korumburra Golf Club. What a wonderful place to hold an event We recommend that you have a look if you are looking for a local function room.

On Saturday 20th May we held our 34th Annual Debutante Ball. Debutantes and partners worked hard to learn their dances and carried them off well. We are pleased to support the youth within our community.

We will be holding a volunteer drive to join us in the coming few months. Would you like to help out within your community? Can you help at special events – we are always looking for people to help on these occasions. Please phone any of the numbers below and find out more information.

ANZAC Day Dawn Breakfast Service saw a large number of Scouts, Cub Scouts and Joey Scouts at the Scout Hall at 5.30am, all busily setting up tables, BBQs, preparing food and getting ready to lay the wreaths they had made.

After the service all the young people served over 300 egg and bacon sandwiches with tea and coffee.

Term 2 has been a busy one:

Joey Scouts (5-8 years) have been kept busy with night hikes, Mothers’ Day activities, cooking and learning to sew badges onto camp blankets. Next will be billy cart building for the upcoming Billy Cart Derby and preparing for the end of term District Concert.

Cub Scouts (8-11 years): fundraising to get to the Cuboree (a Cub Scout size Jamboree) and selling market raffle tickets. Cub Scouts have been learning to sew badges onto blankets, preparing for their Grey Wolf hikes, making gifts for Mothers’ Day and they too are preparing their billy carts.

District Winter Sports for Years 5 and 6 have begun with students able to participate in a variety of sports including soccer, football, t-ball, netball and basketball competing against other schools in our district.

Other events happening in Term 2 include Prep Grandparents visiting; Perceptual Motor Program for Preps; chess competition; ICAS academic competitions; mid-year reports; 2018 Prep Footy Clinic, just to name a few!

August will see the Year 4s head off for 3 nights to Allambee Camp. The Life Education Van will visit school for one week. Book Week will also be celebrated in August and the library will be hosting a Scholastic book fair.

Enrolments and school tours can be organised by contacting KPS on 5655 1309 or emailing korumburra.ps@edumail.vic.edu.au

Korumburra's Swimming Squad – the Burracudas – finished an outstanding summer season with a presentation night at the end of March. This year the squad had more than 40 active members – aged from six through to their 40s – competing in summer carnivals against Wonthaggi, Leongatha, Corner Inlet, Phillip Island and Mirboo North.

Awards presented at the squad’s presentation night included recognition of Zinnia Jackman-Riches and James Downie as the 2016/17 Club Champions and presentation of the Rachel Harms Memorial Shield for Most Improved Swimmer to Cooper Quaife. Eight swimmers received a commitment award for swimming in all events at all carnivals for the season.

Winter training for the squad will resume in the Korumburra Indoor Pool in Term 3. For information on the swimming squad contact the Squad Manager Lesley Turton on 0418 547 323.

It is often the joy of meeting new faces, listening to their stories and journey in life that makes our Op Shop a very personable and unique place to visit. For those who like visiting the old style of Op Shop this is the place!! We provide a venue full of history and charisma, where the absolute joy of searching and finding provides the optimum experience.

Our stock is ever changing, as we give grateful thanks to the generous givers in our community that make our job a busy and interesting time and, in return, we can support many local, Australian and overseas forms of outreach. Your contributions of goods and patronage of our shop and the ultimate proceeds go towards outreach projects that change…many lives.

Come and drop in on Thursdays, Fridays and Saturdays to say “Hello” to our friendly, caring volunteers...and connect with our faithful community and help us make the world a better place!

What an amazingly interesting group of members we have in our Korumburra Landcare Group who are committed to make a significant difference in revegetation and maintenance of many of our Gippsland landscapes. Each has its own uniqueness in topography, soil type and vision but collectively are all in there to learn from each other, put theory into practice, and indeed leave our environment in a better place for flora, fauna and humans alike. The coexistence and ecological balancing is always paramount in our vision and practices in the field. Often this presents challenges, choices and life long learning for participants.

Why not join our group and find out for yourself! Recently our Korumburra Landcare Group was recognized by winning a Green Carpet Award for the group’s ongoing progress in transforming the environment and making a lasting, living impact! What an achievement…so come and join us in our next dinner meeting.

**HAPI Healthy Ageing and Prevention of Injury exercise classes**

HAPI classes are group exercise classes that are run by a qualified Group Exercise Instructor with the assistance and support of Allied Health Assistants.

**Types of Activities**
The HAPI classes offer a range of different exercise opportunities that can cater to each person's own ability. This includes chair based and/or weight bearing, low impact aerobic exercises which aim to improve strength, flexibility and balance in participants. As a general guide, activities can include use of hand weights, balance discs, small/medium sized balls and resistance bands.

Benefits include:
- Improved general fitness and increased awareness.
- Improved sense of well-being due to better physical health and social interaction.
- Reduced hospital admissions due to decreased risk of falls.

**How to Participate.**
The HAPI program is managed by Gippsland Southern Health Service’s (GSHS) Planned Activity Group (PAG) Coordinator. A completed GP/Physio referral form is required prior to commencing HAPI. Anyone can refer themselves by contacting My Aged Care (Ph: 1800 200 422) or calling the PAG team directly on 5654 2791. Alternatively you can email the HAPI instructor kay.rodda@gshs.com.au

**Program Times**
**Monday & Tuesday mornings**
- Shire Meeting Rooms, Commercial Street Korumburra
- Commencing at 9.45am through until 11.15am. Exercises start at 10am for 45 minutes. Morning tea and a friendly chat is included after the class!

We look forward to seeing you there!!

In the last edition of the Burra Flyer there was a preview of the Korumburra Community Directions 2017 – highlighting the projects that the Korumburra community had identified as important to them and the community.

The Community Direction Statement was launched to the community at Coal Creek late May and has also been presented to Council. The projects in the Community Directions statement were identified by the community. They are owned by the community, for the community, as a shared vision for the future. They are the responsibility of the community and shared partnerships are encouraged with Local, State and Federal Government and other relevant stakeholders.

For each project, the Project Champions, in consultation with South Gippsland Shire Council, District Community Groups and other Key Stakeholders as required, will initiate and manage implementation of projects as agreed. The projects will be reviewed by the Korumburra Round Table and also by the community on an annual basis.

The following lists outline some of the points of contact (ie the champions) for some of the projects. If you are interested in working on a project, either assisting with an existing group or being a champion for a project, please contact Korumburra Round Table on korumburraroundtable@gmail.com.

Jumbunna Bush Market held a successful Historical Walk led by Barry Sykes in May and have decided to organise another in conjunction with the market on 4th June. Bookings are essential. Cost $20 (includes lunch). Bookings: Barry Sykes 5164 2124 or 0413 489 704.

On the 1st Sunday of the month the Jumbunna Bush Market is held in the local hall on Cruickshank Road, Jumbunna, running from 9.00 am until 12.30 pm. All proceeds from the markets go back into the hall funds for ongoing maintenance. The good news is that improvements have commenced with repairs to the building. There will be other improvements too in the near future, which will make the hall more inviting for functions etc.

For anyone in South Gippsland it is a pleasant Sunday drive to Jumbunna and stop in for a cuppa. A variety of stalls stock mostly home grown and home made goods for sale, as well as an array of plants and crafts. What’s more, they are always looking for more stallholders for their large hall.

Every Tuesday: Bingo, 1.30 pm
Thurs. June 29th, 10am: morning coffee $5, incl. Shoe go go.

Jumbunna Bush Market

Come along and enjoy the friendly atmosphere. President: Joy Anderson 5655 1143
Secretary: Jan McLaren 5655 1458
Lunch bookings: Joy Anderson 5655 1585

Jumbunna Bush Market held a successful Historical Walk led by Barry Sykes in May and have decided to organise another in conjunction with the market on 4th June. Bookings are essential. Cost $20 (includes lunch). Bookings: Barry Sykes 5164 2124 or 0413 489 704.

A very nominal fee is charged ($6.00) for a market with all stalls under cover providing shelter from the elements.

Why not go for a picturesque drive and have a cuppa or if you are a late starter on Sundays, a sausage for breakfast or even lunch?

There are many other wares too, ranging from jams, relishes, fresh vegetables, eggs, cards, knitted garments, soaps, craft, plants, homemade bags, trash and treasure and jewelry.

For the book worm who does not rely on the computer there are plenty of books for sale. Come and have a browse in a friendly atmosphere.

Also look out for the Jumbunna ladies at the Coal Creek Farmers’ Market.
