Learning That Lasts a Lifetime
One of the pleasures of living in Korumburra is the variety of animal life that we can readily enjoy. In this issue we feature bird life (pages 4 & 34) and stick insects (page 21). Koalas and kangaroos have also occasionally been seen around town. Autumn is a great time to get out and appreciate the native flora and fauna we are blessed with here in Korumburra.

Don & Gail Patterson
The town of Korumburra is home to a variety of birds. Many of its larger birds (such as Galahs, Ravens and Magpies) move out into the surrounding farmland and roadsides to supplement their foraging resources. This also works in reverse, with farmland birds such as Brown Falcon or Nankeen Kestrel sometimes observed soaring above the township in search of their next opportunistic feed.

Down the street you will most commonly see an abundance of introduced Common Blackbirds and Common Starlings. However you may also notice a Red Wattlebird. This is a type of honeyeater which feeds on nectar from large flowering plants. It is a territorial bird which chases away other smaller birds to keep any nectar source for itself.

At this time of year a visitor to the town is the Yellow-faced Honeyeater, a species that arrives in Spring and departs before the autumnal weather arrives. In quiet gardens or streets you may find Superb Fairy Wrens, White-browed Scrubwrens or Brown Thornbills. These species eat insects and require a thick shrubby cover to hide in.

The town of Korumburra is relatively poor in its diversity of native birdlife compared to some other parts of the district. This is due to a lack of extensive native vegetation in or surrounding the township. However, current research shows that as Australia moves towards a more urbanized society, gardens are becoming increasingly important in providing habitat for wildlife. There are therefore many things that we can do to help increase native bird diversity in the backyards of Korumburra.

Some recommendations:
- Keep cats inside at night
- Move bird baths out of reach of predators (such as cats and dogs)
- Avoid feeding birds. This attracts introduced granivores (seed eating birds) such as House Sparrow or Spotted Dove.
- Plant local native trees and shrubs with small flowers to attract insect eating (e.g. Spotted Pardalote) and nectar feeding birds (e.g. Eastern Spinebill).
- Protect trees and branches with hollows
- Create mulched garden beds in a yard or beside a driveway instead of paving it with concrete.

These actions will help to encourage more native birds to live in Korumburra and will assist in providing for the longevity of these lovable species in our area.

**Korumburra Historical Society**

Well, here we are, well into the new year. More history being written.

We were fortunate to receive a grant to digitise quite a number of early newspapers in 2015 and we have an application in this year to obtain more funding to move the project on. The papers already digitised are available at 'Trove' so if you are searching for early history of Korumburra it is well worth a look. Of course we welcome new members if you would like to join us and be a part of our history in person here in Korumburra.

Our next meeting is on **Thursday 2nd March** when we will hear from Lorraine Knox who will tell us about the history of the Jeetho Hall, and the coming 125th anniversary of this building. On **Thursday 6th April** Robert Harrison is to tell us about his trip to Nepal. On **May 4th** Wilma Walls will speak about the history of the spoken “Korumburra Times” and the service that has been provided for people whose sight problems were such that the spoken service brought the local news to them. Our meetings are at 8pm the first Thursday each month at the rooms in King Street.

**Korumburra Working Horse & Tractor Rally**

The Korumburra Working Horse & Tractor Rally will be held on 18th & 19th March 2017 commencing at 10am each day at the Rally site, South Gippsland Highway, Nyora (opposite Lang Lang Golf Course).

So much to see including those beautiful Clydesdale horses working the paddock as they did so many years ago and many old engines pumping water, making noises of all kinds.

A great range of vintage trucks, cars and tractors. Tractor pull, whip cracking, sheep shearing, wood cutting, earth moving equipment and a couple of modified Army tanks will demonstrate their skills. The South Gippsland Woodworkers will share their wide variety of skills including pyrography (using a burning tool to create pictures on wood). There will be food and craft stalls, historical displays and pioneer skills on show.

Families love to see how farming was done in the early days in South Gippsland. Do come along, you will not be disappointed.

Admission: Adults $12, under 16 free and free parking.

No alcohol & no dogs allowed.

Further information: Pat 0407 749 223 A/H or Vivienne 0484 944 598 A/H.

**Rotary Club of Korumburra**

The Rotary Club of Korumburra members have been extremely busy over the past three months organising and helping at a series of fundraising and community events.

These included:

- 40th Annual Art Show
- Three days and nights catering at the music festival, "New Year's Eve On The Hill"
- Assisting with Coal Creek Halloween celebrations
- Catering at the South Gippsland Car Club Swap Meet.

Thanks largely to the dedication and persistence of Rotarian Ken Sim, the local walking track has now been completed with the addition of an information photo board and coal skip at its beginning. *(see page 13 for more details)*

The Robyn Holmes Foundation has made a donation of $10,000 to the newly opened Karmai Community Children's Centre for the purchase and erection of a Playground Fort. This will provide a valuable and lasting tribute to Robyn's memory.

The two Korumburra Rotary Club sponsored exchange students for 2017, Natasha Turton (The Netherlands) and Bridget Keily (Italy) have arrived safely at their destinations. Hopefully each will enjoy an exciting year of wonderful new experiences and lifelong memories.

A dozen members of our club will travel to Hobart at the end of March to attend the Annual District Conference. Peter and Dianne Biggins and John and Janette Shandley will again participate in the week long ride to Conference. They will ride some 600 challenging kilometres in the hilly country surrounding Hobart.

Club members will be working at two upcoming local events in March: The Loch Rock Festival and the Working Horse and Tractor Rally.
Korumburra Red Cross

Firstly, we would like to publicly thank the staff of the 'Middle Pub' for their quick action in a medical emergency involving one of our members in January. Their support and quick response was very much appreciated. Our member is very well once again.

March is Red Cross Calling month and as we no longer door knock, we will be situated at the Korumburra IGA on Thursday 9th, Friday 17th, Thursday 23rd and Friday 31st March from 9.00 am to 5.00 pm. We look forward to your support of our organisation.

Korumburra City Soccer Club

Soccer is a fantastic sport and we have a club right here in Korumburra.

This year is Korumburra City Soccer Club’s tenth season to celebrate. We’re organising a Ball, so keep your eyes out for details.

Soccer is a popular sport. According to the Roy Morgan Young Australians Survey July 2014 – June 2015 Soccer was the most popular sport for kids 6 - 13 years. Popular also with Australian girls, a higher percentage now plays soccer than netball. Not so in our region, but it does pose the question, have you dismissed soccer without giving it a go? With teams from Under 6 through to Senior Men and Women our family orientated club would like to invite you to give it a go.

Come and meet some of our players, try your hand foot at soccer and find out if soccer is for you at one of our come & try sessions.

Indoor 5 a side held at Korumburra Drill Hall
10 - 13 years: Wednesday 1st March, 4.30 - 6.30 pm
14 - 16 years: Wednesday 8th March, 4.30 - 6.30 pm.

Outdoor held at Korumburra Primary School Pony Paddock
All Ages (Under 6 - Seniors): Saturday 18th March, 3 pm.

Our home ground is Richard Street Reserve but to avoid clashes with the cricket club’s schedule we’ve organised the come & try days off site.

Our season runs from mid April - September.

Need more information?
Come & try days Tony 0429 629 212,

Korumburra CWA

We had a very busy 2016 and here we are in 2017. The year began with a big day when, on February 22nd, we hosted Group Conference with approx 50-60 members: this was a great day.

In the months ahead we will have many more exciting times.

We would like to see some new members. I am sure there are clever ladies out there who can knit, sew, etc. Our members are all enthusiastically getting their entries ready for the Exhibition in April.

Ladies please think about joining us; we would love to welcome you.

Leave early
THE REASONS ARE BLACK AND WHITE

Bushfires can start quickly and threaten lives within minutes. When it comes to fire, what you need to do is black and white. Check Fire Danger Ratings daily and monitor warnings. Most bushfire deaths happen close to home, so leaving early, before a fire starts, is always the safest option.

FAMILY VIOLENCE HAS NO GOOD DAYS.

Family Violence stems from men who think they are better than women. Men who exercise control, and misuse power. And they might think it’s only their wife or partner they’re harming, and that their children are fine. But they’re not.

In fact the violence their children are witnessing or hearing is just as damaging to them, their futures and their future relationships.

If you need support, talk to a friend, or go to vic.gov.au/familyviolencesupport or call Safe Steps on 1800 015 188.

Excitement is building in Korumburra amongst the churches as planning is well on the way for the 2017 World Day of Prayer on Friday, 3rd March. This year our focus will be on the 7,107 islands which make up the Philippines. People worldwide will come together for an annual prayer event. As well as praying for issues such as family violence, human trafficking, child abuse and other forms of injustice, we will also be thanking the Lord for other positive things that are happening in the Philippines.

In Korumburra the meeting will be hosted by Southern Hills Church, 4 Mine Road, commencing at 7.30 pm. (located between the Primary School and the Old Corner Post Office). The evening's guest speaker is Mierrasol Stuart, a former national of the Philippines.

Each church will be participating in the programme and the music for the evening will be provided by representatives of the various churches.

Come and join us as together we pray for the nation of the Philippines. After the presentation, supper is provided, which will give every one the opportunity to relax and enjoy one another's company.

Korumburra Landcare

The Korumburra Landcare Group welcomes new members who passionately care for the environment and who desire to constructively contribute to making our world a better place.

Our December dinner, farm walk and speaker meeting was well attended. Beverley Von Praugh, a leading expert on our Gippsland Giant Earthworm, gave a talk on its habitat and the future management plans of this unique species.

So why not come along to a Landcare get-together and find out what makes the group tick? Whether it be a tree planting exercise, learning how to care for our environment in propagation methods, revegetation, exploring the geophysical structure of the earth, mulching, weed management strategies, encouraging principles of biodiversity, these are only a few of the topics that we explore as a group!

Anyone can become a financial member. Why not talk to a Landcare member and find out more today. President: Marie Creed Ph. 5657 3221
Koringal Women’s Service Club

Koringal Women’s Service Club is a group of women who raise funds to give back to the community. Fundraising efforts include raffles and catering at a variety of events such as birthdays, funerals and special dinners. Our members also serve the community at events such as Halloween at Coal Creek, the Korumburra Show, delivering Meals on Wheels, and providing casseroles for Milpara’s Foodbank.

Our Annual General Meeting was held at the end of November which included an interesting talk by Rotarian Max Hall on his trip to East Timor to aid the local community there. Office Bearers for 2017 are: President: Bev Hall, Vice-President: Wendy Green, Secretary: Sue VanSinderen, Treasurer: Julie Watt, Catering Officers: Helen Pearce and Margaret Freestone, Flower Secretary: Jess Cruickshank and Publicity: Julie Watt. We welcomed a new member in Jo Cash, and look forward to a happy and productive working relationship with all our members during the year.

In December we held our Christmas Party Luncheon at the home of our Secretary Sue and Garry in Leongatha South, and some of our members had the privilege of attending end-of-year celebrations at the local schools, presenting some awards to deserving children and those finishing their primary school years. We are always pleased to be involved with the children of the district and able to assist in even a small way with their education.

We donated $2000 to the Cricket Club for a new air conditioning unit for their clubrooms, a welcome addition to their renovations. We have also donated $1000 to the Korumburra CFA for their entry in Relay-For-Life for Cancer Research, in memory of our much loved and missed member Maureen Rodda. Hopefully there will be many more donations during this year throughout the community.

We entered some craft and cooking in the Korumburra Show, coming First and Second in the Organisational Sections, and provided prizes for the Junior entries. We have catered for a few funerals this year already, also washing dishes and waiting or serving food when asked, including the Rotary Art Show in February.

We meet on the last Tuesday of the month, so if you would like to join us and offer your time and efforts with our friendly group we would be happy to hear from you.

President Bev Hall 0408 595 460, or Secretary Sue VanSinderen, 0401 039 824

Korumburra Round Table (KRT)

What does the Korumburra community want for the future of their community – what projects and activities are important to them?

The Korumburra Round Table has continued to collate the community responses to these questions – working towards compiling a Community Plan or Community Direction statement.

The projects have been identified by the community. They are owned by the community, for the community, as a shared vision for the future. They are the responsibility of the community and shared partnerships are encouraged with Local, State and Federal Government and other relevant stakeholders.

For each project, the Project Champions, in consultation with South Gippsland Shire Council, District Community Groups and other Key Stakeholders as required, will initiate and manage implementation of projects as agreed. The projects will be reviewed by the Korumburra Round Table and also by the community on an annual basis.

The following tables on page 11 outline some of the points of contact (ie the champions) for some of the projects. If you are interested in working on a project, either assisting with an existing group or being a champion for a project, please contact Korumburra Round Table on korumburraroundtable@gmail.com or contact Barbara Look 5662 9319. Our first guest speaker for 2017 was Ben from 'Black Snake Productions'. Ben gave an interesting presentation on safety when interacting with and handling our native wildlife. To help with his talk he brought along some fine examples of our native creatures – including three pythons for members to interact with.

Our day tours for the year started with a Tidemaster Cruise out of Tooradin – a relaxing 3 hour cruise with a very tasty buffet style lunch. For March, a day trip to Port Albert and surrounds is scheduled. In April a 3 day/ 2 night visit to Ballarat is planned. This tour will include visits to Sovereign Hill, Eureka Museum, Ballarat Botanical Gardens and more...And for June, a visit to Melbourne is planned to see a production of 'My Fair Lady'.

In October (21st – 25th) members are currently planning to tour Adelaide. This tour will include visits to Hahndorf/Adelaide Hills; Barossa Valley; Fleurieu Peninsula, Victor Harbour/Goolwa. Brochures are available on request.

Would you like to meet other people in your local community? Semi-retired or retired it doesn't matter; just come along, join in the fun and participate in our many and varied activities including Dine Out Club, book exchange and tours. We also have interesting special guest speakers attend our monthly meetings.

Our meetings are held every 2nd Monday of the month, 10 am at the Showgrounds complex. New members most welcome. Contact Noel Walker on 5655 1762 or Marg Brown on 5658 1957.
Korumburra's Hidden Gems

The Skip Walking Track is a great short walk.
It begins in Silkstone Road (beside Coal Creek Heritage Park) just past the entrance to the transfer station and takes the walker through the bush beside the gently flowing Coal Creek. About 500 m down the track you can go through a farm gate and follow the Creek through farmland. Please be considerate of the farmer when walking here. You will need to return along the same route.

Thanks to Rotary for their efforts in construction and maintenance of the track.

The Korumburra Bowling Club is located in Charles Street, opposite the Show Grounds. We have new synthetic greens which enable us to play all year round. We play social bowls on Thursdays and Saturdays. Generally, ring the Club by 11.30 am to put your name down for a game.

Our greens and club rooms are available for anyone wanting a function or a fun roll up. Club phone number is 5655 1246.

The Club holds Social evenings every Friday night from 5 pm for Happy Hour with a members draw and several raffle prizes. We have counter teas every 2nd Friday of each month. Everyone is welcome to attend.

The Club has five pennant teams at the moment, two on Tuesdays and three on Saturdays. This season has almost finished with a team from each competition making it to the Finals.

Anyone who may be interested in becoming a new member can make enquiries to John McVeigh (Mens Section) on 5658 1908 or Vera Sund (Ladies Section) on 5655 2434.

**Burracudas - Korumburra Swimming Squad**

Korumburra's Swimming Squad – the Burracudas – is well into the summer carnival season. Training is held on Monday, Wednesday and Thursday evenings from 5.45 - 7.00 pm at the Korumburra Outdoor Pool. Participation in the squad offers members the chance to refine their swimming technique to participate in competitive swimming.

The Burracudas have more than 40 current members, from age 6 to adult, who compete in swimming carnivals throughout February and March. Carnivals are held in Wonthaggi, Phillip Island, Toora, Mirboo North, Leongatha and Korumburra.

For information on the swimming squad contact the Squad Manager Lesley Turton on 0418 547 323.

**Korumburra Lions Club**

Lions were glad to hold a BBQ at last year’s ‘Carols by Candlelight’ at Coal Creek. It was a very enjoyable evening and was a great way to get into the Christmas spirit. Lions also had a BBQ at the ‘Geek Festival’ at Coal Creek and we met some wonderful people having a lot of fun. We were again working hard at the Korumburra Swap Meet on 8th January: Lions raising money to go back into the community. We had a great day at the Korumburra Show on 11th Feb. Congratulations to the A&P Society – once again a great event in Korumburra. Well done.

One of our new additions to our Club – Lions Club of Korumburra Facebook page. Go onto our Facebook page and have a look. We are still in the process and need to fine touch the page, but Lions are moving forward and hope that you will share the experience with us.

Lions will have raffles at IGA for Easter and Mother’s Day and we appreciate your continued support.

It’s also our 50th Birthday – 50 years in Korumburra. We will be holding a special evening on Saturday 22nd April.

Well it’s that time of year again and the annual Debutante Ball is swinging into action. Practice started on 19th February and the Ball will be held on 20th May.

“I was a native of Portland in the Western District, where as a lad I joined the staff of the “Observer” and was one of the foundation employees. After getting married, the time came to look for “new fields and pastures green,” and I set out for Melbourne in 1894. At this period work was very difficult to obtain, and wages very small. A chap I knew advised me to write to the “Korumburra Times” as he had heard there was a job vacant there. Sure enough, I did; but I received a letter from the late Geo. Whitaker stating that a man had called at the office and he had put him on; but if he did not prove competent, he would advise me later. Well, to my surprise, I received a telegram on the following Saturday to “come at once”.

I left Melbourne on the evening train at the week-end, after finding out where such a town was on the map. No one seemed to know much about it, but believed it was “somewhere in Gippsland.” Even the Railway boards gave the main centres as Dandenong, Nyora, Leongatha and Yarram. The train departed from No. 1 platform and I eventually got a seat among some men returning from the races.

At about 10.00 pm the train pulled in at Korumburra, and when I got on to the platform I was struck by the sight of a policeman standing against the wall of the station. He was huge, anything up to 20 stone [Ed.-almost 130 Kg], I would say. The station building was constructed of wood, several small offices adjoining each other, the way off the platform leading into the present subway. Half way through the latter I asked a man if he could direct me to a boarding house, and he said ‘yes, follow me’, he took us – my wife was with me – to a house at the back of the station, where the late Mr. Sutherland conducted a boarding house.

It was in the month of July and the weather was pretty cold. However, we got through the night and the following day we had a look at the township and the “Times” Office in particular. The whole set-up was not very inviting, and my wife suggested that we go back to Melbourne on the next train. I thought her decision was rather premature and decided to give it a go.

I duly arrived at the office on Monday morning to start work and found the conditions, so far as a printing office was concerned, most crude. Another chap by the name of Hughie Cheyne turned up and the first job was to light the fire to warm the place. The late Mr. Geo. Whitaker, who had recently purchased the place, was the proprietor, and he had Mr. P. H. Watkinson, who edited, on the staff of the paper. There was no linotype, and the paper had to be set up by hand, picking up each letter to form a word. That was not extraordinary as the daily papers had not long since installed linotypes to replace the hand setting.

But there was no lighting in Korumburra then other than kerosene lamps, and as there were two nights a week that we had to work back, it made matters more difficult as we only had two lamps hung over the type frames, and it was tough on the eyes. Anyway, it was midnight and past on many occasions before we got to press for publishing of the paper. There was no power to drive the big machine that was there, and my cobber and I had to take it in turns to turn the big wheel with a handle. This eventuated twice a week, and when not setting type for the paper we did jobbing work and distributing the type into the case boxes to pick up again for the next issue.

There was no overtime pay, and on many occasions we were there till one and two o’clock in the morning. We used to get a refresher about midnight, as Mr. Mick Fryer had a baker’s shop next door, and when the baker started work he used to make a billy of tea. We often slipped in for a cup.

The nights were very dark in those days, and on some occasions, when there was no moonlight, you had to keep touching the fence to know that you were on the footpath. Residents had to carry hurricane lamps when they went out at night. One could see so many of them glimmering in the darkness that it resembled a torch light procession in the distance.” (more next issue)
The Southern Gippsland Local Food Festival will be held on 20 June 2017, Masonic Centre Korumburra—a date for your diary!

This festival is being held to celebrate all that is strong and good about our local food system. It is being organised by Grow Lightly, which is committed to supporting the local food industry and has a base at its Food Hub next to Coal Creek in Korumburra.

We know that many households are committed to seeking out fresh and clean food and that this is best achieved through using local food which has been grown organically. We also know that there are more and more small growers of fresh vegies, fruit and nuts who are setting up to service local households, shops and eateries and that more and more enterprises are focusing their production of value-added produce on local outlets. Such products as cheeses, milk, preserves, honey, herbs, bread, eggs and olive oil are more readily available than ever before.

This festival will showcase the riches of local produce, facilitate the growth of all these sectors and promote networking and cooperation between them. Because we have so much local expertise it isn’t necessary to attract high profile speakers from further afield. These people are already living and working in our region.

We are really pleased that Bruce Pascoe, renowned author of Dark Emu Black Seeds has agreed to open our Festival. He will be focussing on the indigenous story and local agricultural practices.

There will be brochures with more details available soon, as well as information on facebook, our website www.growlightly.com.au and available from the Grow Lightly Food Hub 12A Silkstone Road Korumburra, adjacent to the Coal Creek Heritage Park car park.

**Milpara - Korumburra’s Community House**

Milpara Community House has so much on offer it’s really hard to sum up everything we do. Our core business is community engagement and responding to the needs of our community. So community feedback is important to us. We love to hear what you’d like to see offered at Milpara, what courses you’d like to attend or what class, workshop or course you might like to run.

We provide a variety of adult education and social opportunities to improve your skills and enjoyment of life. These include special interest classes, social groups, accredited courses, and general education and ACFE Learn Local pre accredited courses.

Milpara also provides community support including an emergency food bank, Anglicare emergency relief vouchers and free financial counselling, Uniting Care general counselling and family violence counselling.

We can provide fax, photocopying, computer access and community information. If you’re new to the area please join us on May 23 for our free Newcomers afternoon tea.

New to Milpara commencing in March is our Training Information Pathways Service (TIPS). Milpara is one of seven Gippsland Learn Local Organisations to be offering this service. The purpose of TIPS is to assist people to get started and find their pathway to their preferred future in employment, training or learning. TIPS centres can’t give careers advice but can give you access to career planning resources, tools and information.

For more information call our friendly staff on 5655 2524, visit us at 21 Shellcot Road or email milparacommunityhouse.org.au.

Did you know that there have been some sightings of giant stick insects (or Phasmids) in back yards in Korumburra? They are partial to rose bushes, other leafy bushes and especially like grass trees (Xanthorrhoea). The ones in the photos have bodies about 15 -20 cm long. They don’t fly much but are very fast crawlers. The one shown here is an immature stick insect while the one on the front cover is a fully grown adult.

Why not check out your garden now and see if you have some of these unusual-looking visitors? You never know, they might become permanent residents.

It is getting close to the end of the season but members are still very active at home and other club tournaments. They have been very successful at many of the venues. The lawns are holding up quite well with the help of a good rain now and then.

We have just had a new side fence and cubby erected after both were blown down by the storm last July/August. It has been a long time coming but looks great now.

We have the Annual Golf Croquet Tournament in March - a great event for the club. Our annual general meeting is in May. If you are at all interested in a great sport do come and try out in our little group.

**A New World**
Tired of the way the world is? One lot of bad news after another? Easter is about a fresh beginning; something new beginning amid the wreckage of the old.
The sign that things are starting to be profoundly changed is the resurrection of Jesus from the dead.
The surprising thing is that his resurrection receives so little attention these days. All the evidence points to Jesus having been raised from the dead as a fact of history. Nothing could be more remarkable. As a society we spend billions a year trying to delay the moment of death while almost ignoring the one instance in which death has been defeated.
Perhaps the problem is seeing how the resurrection of Jesus might connect with us. Think of a gift voucher... The person who arranged the voucher has paid the price and given you the voucher. You have the voucher and the value is yours even though you have not yet been to the shop to get anything. You are blessed with the voucher. At some point you will redeem the voucher.
God offers us a kind of voucher through Jesus. We receive the voucher by placing our faith in him. In the case of the ‘Jesus voucher’, the gift is abundant life beginning immediately and enduring into the new world. In the age to come the voucher will be fully redeemed. Yet we are already blessed now.
Why not read the terms and conditions of the ‘Jesus voucher’ in the Bible today or connect with a church to follow up this amazing piece of history and its subsequent offer to you.
This is Good News in this broken world.

**Southern Hills Church Korumburra (Assembly of God)**

We have launched into 2017 with the theme ‘The Triumphant Church’.
We believe that Jesus Christ is Lord of all and that He has defeated death, Satan and all oppressive powers. We long to see His victory expressed more fully in our own lives and in the lives of those we meet. To that end we will pray for our church, our family and our community, trusting that His loving power will be even more clearly seen in our beautiful town of Korumburra.

Our meetings commence at 10 am each Sunday, including “Son Seeker Kidz” programme.

Prayer meeting is each Tuesday night at 7 pm at a private home (call 5658 1850 for address). Coffee Club is on each Thursday at 10 am at Kelly’s Bakery.

On 3rd March at 7.30pm our church will be the host church for the combined churches World Day of Prayer this year. We will be praying for the nation of the Philippines. Come and join with us as we learn more about the Philippines and bring their needs before the Lord.

**Our church address is 4 Mine Road, Korumburra, next to the “Old Corner Post Office”**.

2nd Korumburra Scout Group

2nd Korumburra Joey Scouts, Cub Scouts and Scouts began 2017 raising the flag for Australia Day ceremony held at Loch Reserve.

During the Christmas break the Scout Hall floor was restumped, sanded and polished. Safety lighting was also updated.

Term 1 for all three Sections will be spent making the best use of daylight saving; Celebrating Lord Baden-Powell’s birthday with a fun water day at Walkerville South will be the highlight of Term 1. This is an activity day held on the beach – rafting, swimming, rock pool exploration and Iron person events all fill a busy day. Rafting on a build-it-yourself raft (drums, spars and ropes) is highly competitive.

2nd Korumburra Cub Scouts will be off to Cuboree during Term 3 holidays, they are all out fundraising to assist getting themselves to this mini Jamboree (for 8-11 years) style camp.

The Scout Group congratulated long time leader Shirley Reeves on her recent OAM award for her unstinting service to youth and community in the Gippsland area. Well Done Shirley.

October - May
HAPI Healthy Ageing and Prevention of Injury exercise classes

HAPI classes are group exercise classes that are run by a qualified Group Exercise instructor with the assistance and support of Allied Health Assistants.

Types of Activities
The HAPI classes offer a range of different exercise opportunities that can cater to each person's own ability. This includes chair based and/or weight bearing, low impact aerobic exercises which aim to improve strength, flexibility and balance in participants. As a general guide, activities can include use of hand weights, balance discs, small/medium sized balls and resistance bands.

Benefits include:
- Improved general fitness and increased awareness.
- Improved sense of well-being due to better physical health and social interaction.
- Reduced hospital admissions due to decreased risk of falls.

How to Participate.
The HAPI program is managed by Gippsland Southern Health Service's (GSHS) Planned Activity Group (PAG) Coordinator.

A completed GP/Physio referral form is required prior to commencing HAPI. Anyone can refer themselves by contacting My Aged Care (Ph: 1800 200 422) or calling the PAG team directly on 5654 2791.

Alternatively you can email the HAPI instructor kay.rodda@gshs.com.au

Program Times
Monday & Tuesday mornings
- Shire Meeting Rooms, Commercial Street Korumburra
- Commencing at 9.45am through until 11.15am. Exercises start at 10am for 45 minutes. Morning tea and a friendly chat is included after the class!

We look forward to seeing you there!!

Friends of Coal Creek
Friends of Coal Creek hold their meetings on the second Wednesday of the month at the Coal Creek Heritage Park and Museum.
They have had a great crew of volunteers working under Alex's guidance and appreciate their assistance without which they would not have managed. The Auctioneers Room is now almost finished and they recommend the community to visit the park and have a look at the progress they have made. Only the downpipe needs to be refitted and one window and architrave and it will be fully restored.
Membership is $20 each, $40 a family; (the term begins from 1st October each year.)
Anybody interested in assisting with the repairs to the buildings or in becoming a member may contact Joan on 5655 2126, or Syd on 5655 1247.
Members are encouraged to join the FOCC customer tag (community benefit membership) at Michael's IGA. This will help with restoration to the Lands Office.

The organisers are very excited about the upcoming 24th Inverloch Jazz Festival, which will be held over the Labour Day Weekend, on March 10th, 11th, 12th and 13th. It promises to be a great occasion.

The festival is a not-for-profit community based event, sponsored by Bass Council, the Bendigo Bank and local businesses, running from Friday Night to Monday's free Big Band picnic.

The three main venues are the Community Centre, Warrawee Senior Citizens Club and the RSL.

The Saturday Parade, organised by Inverloch Rotary, is a highlight, known for colourful cars, floats and banners. Music for the parade will be provided by the Wonthaggi Citizens Band and the Invy Horn Jam (seen left). There is also a Saturday Market in the main street.

There will be about 40 bands, bringing great music from many jazz genres.

The lineup includes South Gippsland band the Wonderdogs, Jake Amy and the Groove Hunters from Phillip Island, as well as Sarah Maclaine, Pippa Wilson, Anita Harris, Bernado Soler (international guitarist of renown), Ron Anderson (saxophone player who has formerly played with Shirley Bassey), Allan Smith (drummer in various TV backing orchestras and stage shows) and a host of others. You can look forward to a great event for the entire family.

For information and ticketing visit our website www.inverlochjazzfestival.com, find us on Facebook or ring Clive on 5678 8041.

The CWA Bass Group is holding its annual Creative Arts Exhibition in Loch once more. This year’s 63rd Annual Exhibition will again be held in the Public Hall at 11 Smith Street, Loch. Mark the weekend of 8th and 9th April on your calendar and look forward to a wonderful display and some exciting activities. Displays include members’ cooking, preserves, needlework, knitting, crochet, flora and photography. With demonstrations, raffles and trading table there is something for all the family, even those who just want to sit and eat our famous scones with jam and cream.

Craft demonstrations include tatting, knitted socks, rug making, art, crochet, spinning and felting. More information is available on Facebook or from Craft Convenor Annie Graham on 5678 8037.

The exhibition will be open from 10am to 4pm Saturday 8th and Sunday 9th April. Admission is $5 adults, children with adults free. Morning/afternoon teas and light lunches available. Hope to see you there. Carol Young

Korumburra Business Association – Working Together For Our Future

KBA had our first Information Meeting on 15th February with guest speaker SG Shire Mayor Ray Argento, along with Crs Brunt and Brown.

Karmai the Worm has returned! If you missed seeing Karmai at the Show, it will be appearing in the Main Street soon as it is desperately in need of some TLC and quite a few $$ - look out for our Go Fund Me details on our Facebook page.

March will see our Golden Easter Egg Hunt back again with plenty of Chocolate Easter Eggs to be won so look out for those Golden Eggs.

The KBA is creating a Membership Board that will be displayed in Commercial street, if you would like to be a member please contact us on kbasecretaryconnet@gmail.com

Our Membership is only $50 and if paid now will be valid until June 2018!!

The KBA welcomes all businesses, commercial, industrial, tradies, home-based and farm.

The Station at Korumburra

The working group is currently compiling the community ideas and this will be part of a submission to VicTrack under their “Community use of vacant rail buildings” funding program. This is to structurally repair and rehabilitate the heritage building for public and community use.

The proposal is for a multi-function multi-purpose community facility for a mixture of local community groups to utilise for a variety of activities and also the very exciting prospect of a locally established Craft Brewery business.

Follow us on our Facebook page “The Station at Korumburra”.

Events and Happenings  Page 35
On the 1st Sunday of the month the Jumbunna Bush Market is held in the local hall on Cruickshank Road, Jumbunna, running from 9.00 am until 12.30 pm.

All proceeds from the markets go back into the hall funds for ongoing maintenance.

The good news is that improvements have commenced with repairs to the building. There will be other improvements too in the near future, which will make the hall more inviting for functions etc.

For anyone in South Gippsland it is a pleasant Sunday drive to Jumbunna and stop in for a cuppa. A variety of stalls stock mostly home grown and home made goods for sale, as well as an array of plants and crafts. What’s more, they are always looking for more stallholders for their large hall. A very nominal fee is charged ($6.00) for a market stall.

The club was pleased to have fourteen new players at Beginner’s Day for women, early in February, which was followed up with a series of lessons by a professional golfer. On Beginner’s Day, the ‘Quick’n Easy’ golf model was used; a shorter course, off yellow markers and ‘big holes’ for putting, which are twice the diameter of regular sized holes. The women certainly enjoyed this concept of golf and it will be used from time to time for beginners and, perhaps, in winter, when the fairways are somewhat heavier.

The club has purchased some clubs and bags for women who wish to borrow them and have a try at golf, prior to deciding to definitely take up the sport.

There have been many golfing events and functions lately, so it’s been a busy time. The South Gippsland Women’s 4BBB event was held on Feb 10th and the South Gippsland Classic 4-person Ambrose was on the following Sunday, which hosted around 140 players.

There are Championships, Pennant matches and Singles’ Knock-outs over the next few months, as well as regular golfing days and events at other clubs. The women's Moulton Memorial Bowl is Friday, 24th March.

Green fee players are most welcome to come along and play 9 holes for $15 or 18 holes for just $25. There is a special rate for Juniors (Under 18 years) for $10.

Counter-teas are growing in popularity on Friday evenings, from 6 pm, at a reasonable cost. Many people stay on or come along later, to play Bingo at 8 pm.

The club has installed new split system air conditioners in the main function room, so this will create an even more comfortable environment.

The club rooms are available for hire and provide a suitable venue for various occasions, with an added bonus of outstanding views of the surrounding area.

More information is available through the website www.korumburragolfclub.com.au or individuals can network with the club by ‘liking’ Korumburra Golf Club on Facebook. The club phone number is 5655 1886.
